

ESSENTIAL TERMS AND CONDITIONS

Contract No. 1426 ICB **New** X **Renewal** **Amendment**

Effective Date: June 3, 2011

Expiration Date: June 2, 2016

Duration of Contract: Sixty (60) months

Renewal Options: At the end of the Service Period, the Customer, with sixty (60) days advance written notice to Frontier may elect to extend the Service Period for one (1) additional year at the same rates, terms and conditions in this contract.

Description of Service: Integrated Services Digital Network (ISDN) Primary Rate Interface (PRI) Service supports the simultaneous transmission of circuit switched voice and data over a four-wire facility at a standard interface. ISDN-PRI Service provides digital end-to-end access capable of supporting a combination of public and private network access services. Tie Channel Service provides intercom capability on "B" channels of ISDN PRI arrangements and other Customized Multi-line Telephone Service systems within the same subscriber network (central office to central office). This feature provides the capability to communicate on a private facility basis, as a tie line between Customized Multi-line Telephone Service systems served from different central offices.

 Calling Line Identification with Name allows the customer to have access to the directory number and name of the calling party.

Termination Charges: If Customer cancels this Agreement at any time during the Service Period Customer shall pay to the Company a termination charge equal to one hundred percent (100%) of the applicable monthly rate multiplied by the number of months remaining in the unexpired portion of the Service Period.

Number of Units: One (1) Tie Channel / IXC per PRI
 One (1) Calling Line Identification with Name

Monthly Recurring Charge: \$485.00/month - Tie Channel / IXC per PRI
 \$40.00/month - Calling Line Identification with Name

Non-Recurring Charge(s): None for initial service configuration and installation. Applicable tariff NRCs will apply for any additional quantities.

- 7(iii) Demonstrate, at a minimum, that the contract charges cover the company's cost of providing the service. Costs will be determined under a long-run incremental cost analysis, including as part of the incremental cost, the price charged by the offering company to other telecommunications companies for any essential function used to provide the service, or any other commission-approved cost method.

- 7 (iv) Summarize the basis of the charge(s) proposed in the contract and explain the derivation of the proposed charge(s) including all cost computations involved.

The attached confidential cost documentation demonstrates the contract charges cover the company's cost of providing the service. See Exhibit A to the contract document for the detailed list of services and rates subscribed to under the agreement.
