Subject: **CONTRACT NO. 1428 ICB**

Dear Mr. Danner:

Frontier Communications Northwest Inc. ("Frontier NW") submits for filing Contract No. 1428 ICB, a new customer specific contract that provides Integrated Services Digital Network-Primary Rate Interface (ISDN-PRI) service to an existing customer for a term of three (3) years.

This contract should replace the amendment for the customer specific contract filed under Contract No. 1422 ICB in Docket No. UT-110188 and Contract No. 1386 ICB filed under Docket No. UT-090432. It is a multistate services agreement that includes new terms and conditions. No changes have been made to the rates.

The service is offered under contract because the pricing, certain terms and conditions are not available under tariff. The company requests an effective date of June 17, 2011 for this contract.

If you have any questions concerning this report, please call me at 972-456-7551 or email me at kimberly.a.douglass@ftr.com.

Sincerely,
