Kathy,  
Here is an exhibit of the proposed crossing. This is not a complete design, but it should have the info you need. I also attached a detail of the Omega industries panel product. Let me know if you have any comments.  
Thanks.

**Subject:** Town of Spangle - Sidewalk project at the 3rd Street Crossing

Brian,

I have received the petition/waivers in support to install sidewalks at the 3<sup>rd</sup> Street railroad crossing in Spangle. Could you please send me the lay-out of the crossing with the proposed sidewalk incorporated. I need more details about the intersection of the sidewalk to the crossing.

Thank you.
