Hello,

I am filing the 2010 annual report. I am filing this late and this is our first report ever, I was pretty sure that I filed it back in July of 2011, but based on the letters recently received it would seem that they have not been received.

The situation is that we did not begin operations in Washington State until late in August 2011 and in 2010 we could not start our operations. Even though we intended to begin operations right away, our switch vendor went out of business and forced us to look for another manufacturer thus delaying our efforts by almost 1 year.

It has been a difficult last year however we just started operations in August 2011 and we are recovering from our problems.

Again please accept our apologies for the late filing.

We now have instituted procedures to file on time and properly and we will file for 2011 at the beginning of January of 2012.

If there are any questions please do not hesitate to call me at 310 895 0574.
