RE: Replacement Pages to Docket TS-111851

Dear Mr. Danner:

These pages are replacement pages, please do not re-docket.

The company requests Commission approval to amend its filed Tariff No. 63 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 48 to help recover the cost of fuel.

We are requesting a revised fuel surcharge of 16.67% effective on November 1, 2011. TABLE 1 shows the fuel surcharge per ticket type. Due to lower lake levels many stops are inaccessible. The rates for inaccessible stops have been deleted. The ports accessible during this time of the year are Chelan, Field's Point, Lucerne and Stehekin.

We are requesting a lesser fuel surcharge than the 20% maximum allowed due to constraints with our ticketing program and sales on board the boat.

The percentage that rates will change is 16.67%.

The revenue expected with the proposed surcharge on rates is \$3,032.

If you have any questions about this filing, please contact Cindy Engstrom at (509) 682-1123 or via email at [cindy@ladyofthelake.com](mailto:cindy@ladyofthelake.com).

Sincerely,
