**Re: Advice No. 11-03, Docket No. UE-112226
Update to Schedule 37 Avoided Cost Purchases from Cogeneration and
Small Power Purchases
Request for Extension of Time**

Dear Mr. Danner:

PacifiCorp d.b.a. Pacific Power & Light Company (“Company”) filed Advice No. 11-03 on December 30, 2011 to revise the Company’s current avoided cost prices and Schedule 37 to become effective on February 29, 2012.

Based on discussions with Staff, the Company respectfully requests an extension of the proposed effective date of Schedule 37 from February 29 to April 1, 2012. This extension is required to allow the Company the time to update forward price curves and complete additional analyses as discussed with Staff on February 13, 2012. The Company will be submitting the updated filing no later than February 24, 2012.

Staff has indicated to the Company that it supports this timeline.

Please direct any questions to me at (503) 813-6043.

Sincerely,

Andrea L. Kelly
Vice President, Regulation
