RE: Docket TG-120698 – Replacement Pages – Please do not redocket

Dear Secretary Danner:

Enclosed are replacement pages to Solid Waste Tariff No. 8 for Sanitary Service Co, Inc for Docket TG-120698.

The replacement pages add omitted symbols from the original pages filed and correct an error which was discovered in our tracker.

The tracker correction is in favor of the customer and reduces the rate from our original submission for both residential and multifamily customers. The impact of the tracker is a decrease in the residential recycling commodity rate from a credit of \$0.24 to a credit of \$0.51 per customer, per month and a decrease in the multi-family recycling commodity rate from a debit of \$0.07 to a credit of \$0.09 per yard per pickup.

Please call me at (360) 734-3490 if you have any questions about this filing.

Sincerely,

Amber Jones
