Dear Sirs:

This filing is submitted by Zippy Disposal Service, Inc., G-121.

This filing proposes a general rate increase for our Chelan, Douglas, and Okanogan County customers. For our Chelan County Customers, this increase is necessary to offset two disposal fee increases, fuel costs, and other operating costs since our last filing. For our Douglas and Okanogan County customers, the increase is necessary to offset general operating costs. If approved by the Commission, these rates would increase our revenues from the Chelan County portion of our tariff by approximately 8.89% (\$73,519), and would increase revenues from the Douglas/Okanogan County portion of our tariff by approximately 1.89% (\$6,254).

As required by Commission rules, a copy of this transmittal letter will be mailed to County Commissioners who will be impacted by this filing. We will be mailing customer notices to all affected customers on May 29, 2012.

If you have any questions regarding this filing, please contact Glen Austin at (509)682-5464, our fax number is (509) 682-5379.

Respectfully,

Leo S. Miller, President
Zippy Disposal Service, Inc.
