- 3. **Application for mitigation.** I admit the violations, but I believe that the penalty should be reduced for the reason(s) set out below.
Last April, I checked the UTC website and thought I saw the annual report due date as May 15th. When submitting the report on the 15th, I became aware of the actual May 1st deadline. It was an accident caused by a simple mistake, and one that will not happen again.

- a) I ask for a hearing for a decision by an administrative law judge based on the information presented above.
- OR b) I waive a hearing and ask for an administrative decision on the information I present directly above.

I declare under penalty of perjury under the laws of the State of Washington that the foregoing, including information I have presented on any attachments, is true and correct.
