RE: Affiliated Interest Filing for PacifiCorp

Dear Mr. Danner:

Pursuant to the provisions of RCW 80.16.020 and WAC 480-100-245, PacifiCorp, d.b.a. Pacific Power & Light Company (PacifiCorp or Company), provides notice of an indirect affiliate interest transaction with International Business Machines Corporation (IBM). The Company intends to purchase IBM mainframe hardware equipment and support services through Sirius Computer Solutions, Inc (Sirius). A copy of the Professional Services Contract between PacifiCorp and Sirius Computer Solutions, Inc. for IBM Mainframe Replacement (Contract) is included as Attachment A. Exhibit B to the Contract contains commercially-sensitive pricing information and is submitted as confidential pursuant to WAC 480-07-160.

PacifiCorp is a wholly-owned, indirect subsidiary of MidAmerican Energy Holdings Company (MEHC). MEHC is a subsidiary of Berkshire Hathaway, Inc (Berkshire Hathaway). In mid-November 2011, Berkshire Hathaway publicly announced purchases of IBM common stock totaling greater than a five percent interest. RCW 80.16.020 includes in its definition of "affiliated interest," "every corporation five percent or more of whose voting securities are owned by any person or corporation owning five percent or more of the voting securities of such public service company or by any person or corporation in any such chain of successive ownership of five percent or more of voting securities." Therefore, Berkshire Hathaway's ownership interest in IBM creates an affiliated interest.

The Company recently conducted a formal bidding process to select a vendor to replace existing IBM mainframe equipment, which is reaching the end of its lifecycle. The Company selected Sirius because Sirius submitted the lowest cost bid. The estimated useful life of the mainframe is five years. The initial purchase under the Contract will include three years of hardware support. The Company anticipates renewing the hardware support for an additional two-year term upon the expiration of the initial three-year term. The software support services will provide technical guidance for managing the mainframe environment and will be provided for one year under the Contract. PacifiCorp will evaluate the software support services at the end of the first year to determine if the service is cost effective and should be renewed after the first year.

The Company relies on hardware and software furnished by IBM to create, maintain, and process critical business records. New mainframe hardware equipment is needed to accommodate normal capacity growth and to support planned expansion of the use of the customer self-service Internet application. Accordingly, the transaction is consistent with the public interest.

Also included with this filing is a notarized verification from Michelle R. Mishoe, Legal Counsel, PacifiCorp, regarding the Contract.

Please do not hesitate to contact Carla Bird at (503) 813-5269 if you have any questions.

Sincerely,

PACIFICORP
AND
SIRIUS COMPUTER SOLUTIONS, INC.
FOR
IBM MAINFRAME REPLACEMENT

PARTIES

The Parties to this Professional Services Contract (“Contract”) are **PACIFICORP** (hereinafter “Company”), whose address is 825 NE Multnomah Street, Portland, Oregon 97232, and **Sirius Computer Solutions, Inc.** (hereinafter “Consultant”), whose address is 613 NW Loop 410, Suite 1000, San Antonio, Texas 78216. Company and Consultant are hereinafter sometimes collectively referred to as “Parties” and individually as a “Party,” as the context may require.

ARTICLE 1. DEFINITIONS

CIPS Covered Assets shall mean any assets identified by Company as “critical assets” or “critical cyber assets,” as those terms are defined in the North American Electric Reliability Corporation Glossary of Terms.

Company’s Criteria shall mean applicable requirements used as the baseline for determining whether an individual is a restricted person, as set forth on Exhibit E.

Company’s Facilities shall mean any facilities owned, operated or otherwise controlled by Company which require Company authorization to obtain access.

Critical Infrastructure Information (CII) shall mean information concerning CIPS Covered Assets that: (i) relates to the production, generation or transmission of energy; (ii) could be useful to a person planning an attack on critical infrastructure; and (iii) provides strategic information beyond the geographic location of the critical asset, and which is identified as CII by Company.

Deliverables shall mean all drawings, manuals, calculations, specifications, maps, sketches, designs, tracings, notes, reports, data, computer programs, models, plans, programs, procedures, protocols, samples and other documents and deliverables that are to be provided, obtained, prepared and delivered to Company by Consultant as set forth in the Scope of Work.

Emergency shall mean conditions under which, without effecting an immediate repair or replacement: (i) life, health, or safety would be endangered by operation of the Company’s assets; (ii) the Company’s assets would be unavailable for commercial use; or (iii) the Company’s assets could not be operated, or demonstrated to be operating, in compliance with a) environmental regulations; b) regulations, policies or procedures issued by governmental or regulatory authorities; or c) prudent utility practice.

Equipment shall mean all products, equipment, materials, goods, parts, associated hardware, documentation, spare parts, data packages and software to be provided to Company by Consultant in conjunction with the Work.

Force Majeure Event shall mean a delay caused by any national or general strikes (but excluding strikes relating solely to the work force of Company, Consultant or a Subcontractor), fires, riots, acts of God, acts of the public enemy, floods, acts of terrorism, unavoidable transportation accidents or embargoes, or other events: (i) which are not reasonably foreseeable as of the date the Contract was executed; (ii) which are attributable to a cause beyond the control and without the fault or negligence of the Party incurring such delay; and (iii) the effects of which cannot be avoided or mitigated by the Party claiming such Force Majeure Event through the use of commercially reasonable efforts. The term Force Majeure Event does not include a delay caused by seasonal weather conditions, inadequate construction forces, general economic conditions, changes in the costs of goods, or Consultant’s failure to place orders for Equipment, materials, construction equipment or other items sufficiently in advance to ensure that the Work is completed in accordance with the Contract.

Hazardous Materials shall mean any chemical, substance or material designated or regulated as a “hazardous material,” “hazardous waste,” “toxic substance” or any similar designation (including petroleum products) by any national, federal, state, provincial, or local government (including any agency, authority, department, instrumentality or other subdivision of the

foregoing) having or asserting environmental regulatory jurisdiction with respect to the substance or material, the Work or the Work Site.

Material Adverse Change (MAC) shall mean, with respect to Consultant, if Consultant, in the reasonable opinion of Company, has experienced a material adverse change in Consultant's financial condition or Consultant's ability to fulfill its obligations under this Contract including any event or circumstance that would give Company the right to terminate for cause pursuant to ARTICLE 45, TERMINATION FOR CAUSE.

Net Replacement Costs shall mean the "cost to cover" remedy available to Company in the event of a default by Consultant under this Contract. The Net Replacement Costs shall be calculated by: (i) subtracting the unpaid balance of the total price of the Work to be performed from the costs incurred by Company to obtain a replacement contractor to finish the Work that Consultant was otherwise obligated to provide under this Contract (or the costs, internal or third-party, incurred by Company to complete such remaining Work itself); and (ii) adding a sum for additional managerial, administrative, and other reasonable costs Company incurs as a result of Consultant's default.

Notice shall mean a formal written communication which, pursuant to the Contract, one Party must deliver to the other in order to invoke a Contract right set forth herein.

Personnel shall mean the employees of Consultant or any of its agents, Subcontractors, or independent contractors who are employed to perform Work under this Contract.

Service(s) shall mean any labor, skill, or advice provided to Company pursuant to this Contract.

Unescorted Personnel shall mean all Personnel with authorized unescorted physical access to Company's Facilities.

Work shall mean all obligations, duties, requirements, and responsibilities for the successful completion of the Contract by Consultant, including furnishing of all Services and/or Equipment (including obtaining all applicable licenses and permits) in accordance with the terms and conditions set forth in the Contract.

Workers' Compensation Laws shall mean the statutory requirements of the state and/or federal regulations (e.g., FELA, USL&H, Jones Act) where the Work is to be performed.

Work Site shall mean the location or locations on Company's premises where the Work is to be performed.

ARTICLE 2. DESCRIPTION OF WORK

Consultant shall perform the Work in accordance with Exhibit A. Consultant shall be solely responsible for the means, methods, and procedures of performing the Work. Except as otherwise provided in this Contract, Consultant shall provide all necessary utilities and support services.

ARTICLE 3. PERIOD OF PERFORMANCE

Unless earlier terminated as provided herein, this Contract shall continue in effect until final completion of all Work set forth herein. Consultant shall commence performance upon execution of this Contract by the Company and shall complete the Work within the applicable timeframe(s) specified in the Scope of Work and/or Exhibit B, Pricing Schedule; provided that the term of this Contract shall expire on December 31, 2015. Neither the completion of the Work nor any earlier termination of this Contract shall impact any warranties, indemnities, insurance requirements, confidentiality obligations, termination obligations or other obligations which by their own terms are intended to survive the completion of the Work, all of which shall continue in full force and effect after the termination or expiration of the Contract. Time is of the essence with respect to Consultant's obligations under the Contract.

ARTICLE 4. CONSIDERATION AND PAYMENT

As full consideration for the satisfactory performance of Consultant's obligations under this Contract, Company will pay Consultant all undisputed amounts within thirty (30) days of the Receipt Date (as hereinafter defined) of the invoices, net of any retention amounts that are entitled to be withheld by Company pursuant to the terms of Exhibit B. "Receipt Date" shall

mean five (5) days after the date Consultant sends the invoices to Company. Company agrees that any payment not received by Consultant within thirty (30) days from the Receipt Date may be subject to an interest charge of 1% per month, or the maximum allowed by law, whichever is less. All invoices shall reference the applicable Contract number. Consultant shall identify and clearly set forth on the invoice any discount for early payment. The total amount of consideration payable for the Work is specified in Exhibit B.

All invoices shall be addressed as follows:

PacifiCorp
Attn: Tami Ho-Gland
825 NE Multnomah St., LCT 800
Portland, OR 97232

INVOICES WHICH DO NOT CONTAIN THE ABOVE INFORMATION, OR ARE NOT ADDRESSED AS ABOVE, MAY CAUSE PAYMENT DELAY

Company may offset any such payment to reflect amounts owing from Consultant to Company or its subsidiaries pursuant to this Contract or any other agreement between the Parties or otherwise. In addition, Company may withhold all payments otherwise due Consultant until such time as Consultant has provided any Default Security required by this Contract. If required by Company, the final payment, including any retention amounts withheld, shall not become due until Consultant has furnished Company a final release from all claims and demands arising out the Work in a form acceptable to Company.

Upon request by Company, Consultant shall also provide interim lien and claim releases executed by Consultant, and interim and/or final lien and claim releases executed by Subcontractors through the date of each invoice submitted.

ARTICLE 5. TAXES

The consideration to be paid under the Contract includes all taxes arising out of Consultant's performance hereunder, including without limitation state and local sales and use taxes, value-added taxes, import duties, payroll taxes, income taxes and other taxes relating to the performance of the Work. State and local sales and use taxes shall be stated separately and shown on all invoices as a separate line item. Upon request of Company, Consultant shall promptly provide to Company evidence satisfactory to Company of the payment of all applicable taxes.

ARTICLE 6. TRAVEL

All expenses for travel and related expenses are included in the fixed pricing amounts set forth in Exhibit B.

ARTICLE 7. ACCOUNTING AND AUDITING

Consultant shall keep accurate and complete accounting records in support of any cost-based billings and claims to Company in accordance with generally accepted accounting principles. Company, or its audit representatives, shall have the right, no more often than twice per calendar year and at Company's sole expense, at any reasonable time or times upon at least five (5) days' written notice to Consultant, to examine, audit, and copy the records, vouchers, and other source documents which relate to any claim for compensation other than pricing elements which are fixed in amount by this Contract. Such documents shall be available for examination, audit and reproduction for three (3) years after completion or termination of this Contract.

Consultant shall assist Company with preparing necessary audit material and will allow Company to review any work papers prepared by independent auditors as allowed by professional standards.

Audit findings by Company's representative will be considered to be final and conclusive for the period audited. Any over collections shall be returned to Company within thirty (30) calendar days from date of Notice of overcharge.

ARTICLE 8. INTENTIONALLY OMITTED

ARTICLE 9. INTENTIONALLY OMITTED

ARTICLE 10. WITHHOLDING PAYMENT

Company may, without limiting any other rights or remedies Company may have, withhold from payment amounts which reflect the reasonable cost to repair or replace unsatisfactory Work or the value of any claim against Company, which Consultant has failed to settle pursuant to its indemnity obligations under the Contract. Company may also retain from payment sufficient funds to discharge any delinquent accounts of Consultant for which liens on Company's property have been or can be filed, and Company may at any time pay therefrom for Consultant's account such amounts as are, in the reasonable opinion of

Company, due thereon, including any sums due under any federal or state law.

ARTICLE 11. DESIGNATED REPRESENTATIVES AND NOTICES

Any formal Notice required to be delivered in writing under the terms of this Contract shall be delivered to the representative of the other Party as designated below. All formal written Notices shall be: (i) hand delivered; (ii) deposited in the mail, properly stamped with the required postage; (iii) sent via registered or certified mail; or (iv) sent via recognized overnight courier service. ARTICLE 12. CORRECTION OF WORK

Any time prior to final completion of the Work and acceptance by Company, Company may reject Work which, in Company's opinion, fails to conform to this Contract. Consultant, at its sole expense, shall: (i) promptly re-perform or replace any Services or Equipment so as to conform with the requirements of this Contract; and (ii) remove from the Work Site all Equipment rejected by Company, whether incorporated in the Work or not.

If Consultant fails to promptly remedy rejected Work, Company may, without limiting or waiving any other rights or remedies it may have, correct the Work and remove and dispose of rejected Equipment at the expense of Consultant, and may deduct from amounts due Consultant any cost so incurred by Company.

ARTICLE 13. PROFESSIONAL RESPONSIBILITY

Consultant shall perform the Work using the standards of care, skill, and diligence normally provided by a professional in the performance of similar Services, and shall comply with all codes and standards applicable to the Work.

In the event of Consultant's failure to do so, Consultant shall, upon Notice by Company, promptly reperform the Work and correct the defect at Consultant's sole cost. Consultant's obligation to correct and reperform its Work shall be in addition to, and not in lieu of, any other right that Company may have.

ARTICLE 14. WARRANTY

Consultant warrants that all Services performed shall conform to the Specifications, drawings, samples, and other descriptions set forth in this Contract and shall be free of defects in workmanship. Consultant further warrants that all Equipment and Deliverables manufactured or developed by it shall be of the quality specified, or of the best grade if no quality is specified, and, unless otherwise provided in this Contract, will be new, and free from defects in design.

At any time for a period of one (1) year from the date of final completion of the foregoing Services or delivery of such Equipment or Deliverables and acceptance by Company, Consultant shall at its own expense promptly repair, replace and/or re-perform any portion of the Work that is defective or in any way fails to conform to the Contract requirements. Any repair, replacement or re-performance will meet the requirements of this Contract for a period of one (1) additional year following Company's acceptance of such repair, replacement or re-performance. In addition, Consultant shall pass through to Company

If any such Services, Equipment or Deliverable fails to meet the foregoing warranties, the Company shall have the right to self-perform Emergency warranty work as Company deems necessary. The Company agrees to notify Consultant of such Emergency work within forty-eight (48) hours. Provided that the Emergency repairs, replacement or re-performance is performed in a reasonable manner and with workmanship and care measured by industry standards, Consultant shall reimburse the Company for the cost of any Emergency warranty work self-performed by Company.

Notwithstanding the foregoing, Consultant makes no warranty whatsoever with respect to any Equipment or Deliverables to the extent they are not manufactured or developed by Consultant. However, Consultant will assign or otherwise make available to Company the warranty which has been assigned by a manufacturer or developer of any such Equipment or Deliverables and which Consultant has the right to so assign or otherwise make available (the "Third Party Warranty"). Company shall promptly notify Consultant of any defects in the Equipment or Deliverables which are covered by a Third Party Warranty during the applicable warranty period. Consultant will assist Company in notifying the applicable manufacturer or developer of any Third Party Warranty claim and the processing of such claim.

EXCEPT AS EXPRESSLY SET FORTH IN THIS CONTRACT OR AN APPLICABLE SOW, CONSULTANT MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, TO COMPANY OR TO ANY OTHER PERSON OR ENTITY REGARDING EQUIPMENT, DELIVERABLES AND/OR SERVICES OR OTHER ITEMS PROVIDED BY CONSULTANT UNDER THIS CONTRACT OR THE RESULTS TO BE DERIVED FROM THE USE THEREOF, AND CONSULTANT EXPRESSLY DISCLAIMS ANY REPRESENTATIONS AND WARRANTIES ARISING FROM COURSE OF DEALING, USAGE OF TRADE OR COURSE OF PERFORMANCE, AND THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

ARTICLE 15. INTENTIONALLY OMITTED

ARTICLE 16. CHANGES

Company may at any time in writing direct changes and/or additions within the general scope of this Contract, direct the omission of or variation in Work, or alter the schedule. If any such direction results in a material change in the amount or character of the Work, an equitable adjustment in the Contract price and/or other such provisions of this Contract as may be affected shall be made and this Contract shall be modified in writing accordingly. Any claim by Consultant for an adjustment under this Article shall be processed in accordance with the provisions of ARTICLE 42, CLAIM NOTICE AND RESOLUTION PROCEDURE.

No change shall be binding upon Company until a change order is executed by an authorized representative of Company which EXPRESSLY STATES THAT IT CONSTITUTES A CHANGE ORDER TO THIS CONTRACT. THE ISSUANCE OF INFORMATION, ADVICE, APPROVALS, OR INSTRUCTIONS BY ANYONE OTHER THAN THE AUTHORIZED COMPANY REPRESENTATIVE SHALL NOT CONSTITUTE AN AUTHORIZED CHANGE ORDER PURSUANT TO THIS ARTICLE.

ARTICLE 17. INSURANCE

A certificate of insurance shall be furnished to Company confirming the issuance of such insurance prior to commencement of Work by Consultant. Should a loss arise during the term of the Contract that may give rise to a claim against Consultant and/or the Company as an additional insured, Consultant shall deliver to the Company (or cause to be delivered to the Company) certified copies of such insurance policies.

Consultant shall require Subcontractors who perform Work at the Work Site to carry liability insurance (auto, commercial general liability and excess) and workers' compensation/employer's liability insurance commensurate with their respective scopes of work. The indemnity obligations under this Article shall include without limitation:

- a. Loss of or damage to any property of Company, Consultant or any third party;
- b. Bodily injury to, or death of any person(s), including without limitation employees of Company, or of Consultant or its Subcontractors of any tier; and
- c. Claims arising out of workers' compensation, unemployment compensation, or similar such laws or obligations applicable to employees of Consultant or its Subcontractors of any tier.

Consultant's indemnity obligations owing to Indemnitees under this Article are not limited by any applicable insurance coverage identified in ARTICLE 17, INSURANCE. Consultant's indemnity obligation under this Article shall not extend to any liability caused by the sole negligence of any of the Indemnitees.

For Work performed in the States of Oregon and Washington, and to the limited extent that this Contract requires Consultant to perform Work meeting the statutory definition of "construction" in either of the above-referenced states, Consultant's indemnity obligations under this Article shall extend only to liability for damage arising out of death or bodily injury to persons or damage to property to the extent that the death or bodily injury to persons or damage to property arises out of the fault of Consultant, or the fault of Consultant's agents, representatives or Subcontractors.

With respect to Consultant's indemnity obligations to Company, Consultant specifically and expressly waives any immunity under either Industrial Insurance, Title 51, RCW, or Workers' Compensation Law, Chapter 656, ORS, and acknowledges that this waiver was mutually negotiated by the Parties herein. The invalidity, in whole or in part, of any of the foregoing paragraphs will not affect the remainder of such paragraph or any other paragraphs in this Article.

For all Personnel who require such access, Consultant shall:

- a. Ensure that Unescorted Personnel and Sensitive Personnel have passed the background checks outlined in subsection 20.3(a) consistent with the Company's Criteria set forth on Exhibit E prior to requesting unescorted physical access and/or cyber access to Company's Facilities and/or CIPS Covered Assets, as applicable;

Consultant shall conduct, at Consultant's cost and expense, the requisite background checks for the current and past countries of residence of all Unescorted Personnel and Sensitive Personnel consistent with the Company's Criteria set forth on Exhibit E. All background checks will be conducted in accordance with federal, state, provincial, and local laws, and subject to existing collective bargaining unit agreements or other agreements, if any.

Following the initial background check to obtain authorization for access, the background checks shall be updated no less frequently than every seven (7) years or upon request by Company, and shall, at a minimum, consist of a social security number identity verification and seven-year criminal background check, including all convictions for a crime punishable by imprisonment for a term exceeding one year.

Consultant shall provide Company with all requested records supporting Contractor/Vendor Information Forms within a reasonable time after receiving such request, and in the form requested by Company, but not longer than three (3) business days following the date of such request.

For purposes of this Contract, a background check is considered valid pursuant to the Company's Criteria, set forth on Exhibit E, if it was completed within two (2) years prior to the date on which Consultant signed a Contractor/Vendor Information Form for each Unescorted Personnel and Sensitive Personnel. Regardless of when performed, all background checks shall be documented pursuant to the requirements set forth in this subsection 19.3.

In the event Company notifies Consultant of the impending expiration of the background check of any Unescorted Personnel or Sensitive Personnel, Consultant shall provide an updated Contractor/Vendor Information Form reflecting a refreshed background check within twenty (20) days of receipt of the Notice, in order to avoid revocation of such person's access.

Consultant shall immediately provide notice to Company of any facts, circumstances or allegations that constitute or might constitute a breach of this Article and shall cooperate with Company's subsequent investigation of such matters. Consultant shall indemnify and hold Company harmless from all fines, penalties, expenses or other losses sustained by Company as a result of Consultant's breach of this provision. The Parties specifically acknowledge that Consultant's failure to comply with the requirements of this Article shall constitute a condition of default under this Contract.

ARTICLE 24. TITLE; RISK OF LOSS

Title to all Equipment (other than software) to be sold by Consultant hereunder shall pass to Company upon delivery to the designated Company site. Title to software is not transferred and the right to use software included in the Equipment shall be governed by a separate license agreement between Company and the applicable software licensor. This provision shall apply regardless of whether Company holds title to the "in-progress" Work and any incorporated Equipment. Consultant shall be solely responsible for all losses arising from Hazardous Materials brought to the Work Site by Consultant or its Subcontractors during the performance of the Work, including the storage, transportation, processing and disposal of Hazardous Materials, except to the proportionate extent any such loss results from the negligence or willful misconduct of Company or any third party other than Consultant's Subcontractors. ARTICLE 41. CONFLICTS, ERRORS, OMISSIONS, OR DISCREPANCIES IN CONTRACT DOCUMENTS

Each Party shall advise the other Party in writing of all conflicts, errors, omissions, or discrepancies among the various documents comprising this Contract immediately upon discovery and prior to Consultant's performing the affected Work. Company shall resolve any conflicts and such resolution shall be final; Company and Consultant shall work together to resolve any such errors or omissions to their mutual satisfaction. Anything mentioned in the Specifications and not shown on the drawings, or shown on the drawings and not mentioned in the Specifications, shall be considered as if shown or mentioned in both.

ARTICLE 42. CLAIM NOTICE AND RESOLUTION PROCEDURE

In the event Consultant has a claim or request for a time extension, additional compensation, any other adjustment of the Contract terms, or any dispute arising under the Contract (hereinafter "Claim"), Consultant shall provide Company with

Notice of such Claim within ten (10) business days following the occurrence of the event giving rise to the Claim. Consultant's failure to give Notice as required will constitute a waiver of all of Consultant's rights with respect to the Claim.

As soon as practicable after Claim notification, Consultant shall submit the Claim to Company with all supporting information and documentation. Consultant shall also respond promptly to all Company inquiries about the Claim and its basis.

Any Claim that is not disposed of by mutual agreement between the Parties shall be decided by Company, which shall provide a written decision to Consultant. Such decision shall be final unless Consultant, within thirty (30) days after such receipt of Company's decision, provides to Company a written protest, stating clearly and in detail the basis thereof. Consultant's failure to protest Company's decision within that time period shall constitute a waiver by Consultant of its right to dispute the decision. Even if a Claim arises, Consultant shall continue its performance of this Contract.

ARTICLE 43. SUSPENSION OF WORK

Company may, by written Notice, direct Consultant to suspend performance of any or all of the Work for a specified period of time. Upon receipt of such Notice to suspend, Consultant shall: (i) discontinue Work; (ii) place no further orders or subcontracts; (iii) suspend all orders and subcontracts; (iv) protect and maintain the Work; and (v) otherwise mitigate Company's costs and liabilities for those areas of Work suspended. Company shall pay Consultant an equitable amount for incremental costs incurred by Consultant as a result of the suspension; provided, however, that if the suspension is due to Consultant's failure to comply with the Contract, no such payment shall be made.

ARTICLE 44. TERMINATION FOR CONVENIENCE

Company may terminate this Contract in whole or in part at any time without cause prior to its completion by sending to Consultant written Notice of such termination. Upon such termination, Company shall pay to Consultant, in full satisfaction and discharge of all liabilities and obligations owed Consultant, an equitable amount for all Work satisfactorily performed by Consultant as of the date of termination, plus an equitable termination fee to address Subcontractor termination charges and other out-of-pocket costs incurred by Consultant as the result of the termination provided that such costs cannot be reasonably mitigated. Company shall not be liable for anticipated profits based upon Work not yet performed.

ARTICLE 45. TERMINATION FOR CAUSE

1. For purposes of this Contract, a default by Consultant shall be the occurrence of any of the following:
 - a. A breach by Consultant of any of its material obligations under this Contract, if such breach continues uncured for a period of ten (10) calendar days after receipt of written Notice from Company, unless such breach cannot by its nature be remedied within such period in which event Consultant shall provide evidence reasonably satisfactory to Company within ten (10) calendar days after receipt of such Notice that the cure of such breach has commenced and Consultant thereafter makes reasonable and continuous progress to that end. For purposes of this Contract, a default by Consultant shall be deemed to include, without limitation, Consultant's refusal or neglect to supply sufficient and properly skilled workmen, materials of the proper quality or quantity, or equipment necessary to perform the Work described in this Contract properly, or Consultant's failure in any respect to prosecute the Work described in this Contract or any part thereof with promptness, diligence, and in accordance with all of the material provisions hereof;

 - d. A Material Adverse Change has occurred with respect to Consultant and Consultant fails to provide such performance assurances as are reasonably requested by Company.

2. Upon the occurrence of any such default, following the applicable process described in this Article, Company shall be entitled upon written Notice to Consultant and without Notice to Consultant's sureties and without limiting any of Company's other rights or remedies, to terminate this Contract or to terminate Consultant's right to proceed with that portion of the Work affected by any such default and collect the Net Replacement Costs incurred to complete the Work.
3. Upon the occurrence of any such default, following the applicable process described in this Article, Company shall be entitled to seek performance by any guarantor of Consultant's obligations hereunder.
4. Upon receipt of any such written Notice of termination of the entire Contract or of any right to proceed with any portion of the Work following the applicable process described in this Article, Consultant shall, at its expense, for that portion of the Work affected by any such termination:

Consultant shall cooperate with and assist Company in attempting to acquire from Consultant's Subcontractors the right to take possession of and use any and all proprietary materials in the event of such termination. All proprietary materials of Consultant or Subcontractors shall remain subject to the provisions herein, and Company shall not have any broader rights to use or disclose such proprietary materials as a result of such termination. Any software embodying any of Consultant's proprietary materials shall also be subject to the provisions herein. In the event of such a termination, Consultant shall not be entitled to receive any further payment until the Work is completed, and such amounts may be offset against Company's Net Replacement Costs.
6. All rights and remedies provided in this Article are cumulative, and are not exclusive of any other rights or remedies that may be available, whether provided by law, equity, statute, in any other agreement between the Parties or otherwise. Upon the occurrence of any such default, following the applicable process described in this Article, Company shall be entitled to pursue any and all other rights and remedies, including without limitation damages, that Company may have against Consultant under this Contract or at law or in equity.

ARTICLE 46. DELAYS

Force Majeure. Neither Party shall be liable for delays caused by a Force Majeure Event; provided, however, that both Parties agree to seek to mitigate the potential impact of any such delay. Any delay attributable to a Force Majeure Event shall not be the basis for a request for additional compensation. In the event of any such delay, the required completion date may be extended for a reasonable period not exceeding the time actually lost by reason of the Force Majeure Event.

Company-Caused Delay. If Consultant is actually delayed in its performance of the Work by the actions or omissions of the Company (excluding Company's good faith exercise of rights and remedies provided under the Contract), or by changes ordered with respect to the Work, and if Consultant is able to prove that it has used all reasonable means to avoid or minimize the effects of the delay, then Consultant's guaranteed completion dates shall be equitably adjusted to reflect the impacts of such Company-caused delays. Company may, at its discretion, in lieu of granting an extension of time, require Consultant to regain the schedule whereby Company shall compensate Consultant for all additional costs reasonably incurred thereby. No adjustment under this Article shall be made for any delay to the extent that it is caused or contributed to by Consultant or performance would have otherwise been delayed by any other cause, including the fault or negligence of Consultant.

Consultant Caused Delays. In the event the Work is not delivered in accordance with and within the time specified in the Contract, and the failure to timely perform is in no way related to either a Force Majeure Event or Company-caused delay.

Request For Time Extension. Any request for time extension or additional compensation shall be made in accordance with ARTICLE 42, CLAIM NOTICE AND RESOLUTION PROCEDURE.

If, at any time, Company determines the progress of the Work is unsatisfactory, Consultant shall work overtime, increase its workforce, work additional shifts, add supervision or take other corrective actions to ensure the timely and orderly prosecution of the Work, at no additional cost to Company.

The failure of Consultant to adequately investigate and acquaint itself with the available information concerning these conditions and all other matters which could in any way affect the Work or the cost thereof under this Contract shall not relieve Consultant from its responsibility for properly estimating the difficulties and costs of successfully performing the Work and completing this Contract, and shall not be grounds for adjusting either the price or the schedule. Company assumes no responsibility for any understanding or representation made by any of its officers or agents during or prior to the negotiations and execution of this Contract.

ARTICLE 48. CHANGED CONDITIONS

To the extent applicable under a particular Scope of Work, Consultant shall immediately and before such physical conditions are disturbed, provide Notice to Company of: (i) subsurface or latent physical conditions at the Work Site differing materially from those indicated in this Contract and which could not have been discovered pursuant to the site investigations for which Consultant is responsible under ARTICLE 47, SITE INVESTIGATION; or (ii) unknown physical conditions at the Work Site, of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in Work of the character provided for in this Contract and which could not have been discovered pursuant to the site investigations for which Consultant is responsible under ARTICLE 47, SITE INVESTIGATION. Company will promptly investigate the conditions, and if it finds that such conditions do materially differ and cause an increase or decrease in the cost of, or the time required for performance of this Contract, an equitable adjustment shall be made and this Contract modified in writing accordingly. Any claim by Consultant for adjustment hereunder shall be made pursuant to ARTICLE 42, CLAIM NOTICE AND RESOLUTION PROCEDURE.

ARTICLE 49. COMPLIANCE WITH LAWS

Consultant shall at all times comply with all applicable laws, statutes, regulations, rules, ordinances, codes, and standards, including without limitation those governing wages, hours, desegregation, employment discrimination, employment of minors, health and safety. - Background checks shall be updated no less frequently than every seven (7) years or upon request by Company, and shall, at a minimum, consist of a social security number verification and seven-year criminal background check, including all convictions for a crime punishable by imprisonment for a term exceeding one year.

Drug and Alcohol Screening Requirements

- Drug test shall, at a minimum, be a five (5) Panel Drug Test, which should be recognizable at testing labs as a "SamHSA5 panel at 50NG – THC cut-off".

Your contract with PacifiCorp requires compliance with the following:

- Ensure that Unescorted Personnel and Sensitive Personnel have passed the background checks outlined above and consistent with the Company's Background Check Criteria set forth in your contract prior to requesting unescorted physical access and/or cyber access to Company's Facilities and/or CIPS Covered Assets, as applicable.
- Ensure that Unescorted Personnel and Sensitive Personnel complete Company provided or approved initial CIPS compliance training prior to requesting unescorted physical access and/or cyber access to Company's Facilities and/or CIPS Covered Assets, as applicable.
- Ensure that Unescorted Personnel and Sensitive Personnel have passed Consultant's drug and alcohol exam and are in compliance with Consultant's substance abuse/drug and alcohol policy as outlined your contract.
- Keep accurate and detailed documentation to confirm completion dates for background checks, all CIPS compliance training (initial and annual training, to the extent applicable), and drug tests, and certify to Company such documentation by completing this Contractor/Vendor Information Form.
- Company has the right to audit Consultant's records supporting each Contractor/Vendor Information Form submitted to Company, including background check results, and to verify that the requisite background checks and drug tests were performed consistent with Company's Background Check Criteria. Consultant shall provide Company with all requested records supporting Contractor/Vendor Information Forms within a reasonable time after receiving such request, and in the form requested by Company, but not longer than three (3) business days following the date of such request.

Exhibit E

Background Check Criteria

The Company has a policy, “Badge and Access Standards,” which outlines Company standards, procedures, compliance policies and workforce responsibilities regarding badges and access to all PacifiCorp controlled areas. Access to Company’s Facilities is subject to this policy and requires access to be granted on an as-needed basis after completion of the required background check and training requirements.

In addition, the Company is required to comply with the mandatory Critical Infrastructure Protection Standards (CIPS) issued by the North American Electric Reliability Corporation (NERC) and approved by the Federal Energy Regulatory Commission on January 17, 2008. The CIPS were adopted to ensure that electric utilities, as part of the nation’s critical infrastructure, are able to sustain and secure against vulnerabilities that may threaten the electric system and the utilities that operate it. Specifically, Standards CIP-001 through CIP-009 provide a cyber security framework for the identification and protection of assets critical to the reliable operation of the bulk electric system (*i.e.*, CIPS Covered Assets).

In order to ensure compliance with CIPS and the Company’s access policy, Company requires that all personnel who will have authorized unescorted physical access to Company’s Facilities (*i.e.*, Unescorted Personnel) and/or authorized unescorted physical access or authorized cyber access to CIPS Covered Assets (including control centers, substations, generation plants, critical cyber assets, etc.) (*i.e.*, Sensitive Personnel) have the appropriate security clearance and security training. A background check of Consultant’s Unescorted or Sensitive Personnel will be considered valid pursuant to these Criteria if it was completed within two (2) years prior to the date the Consultant signed a Contractor/Vendor Information Form for each such person.

Individuals who are considered “restricted persons” may not have unescorted access to Company’s Facilities or CIPS Covered Assets. An individual will be considered a “restricted person” if the person meets any of the following criteria:

- Is currently under indictment for a crime punishable by imprisonment for a term exceeding one year;
- Has been convicted (within the past seven years) in any court of a crime punishable by imprisonment for a term exceeding one year;
- Is currently a fugitive from justice; or
- Is an alien illegally or unlawfully in the United States.

If an individual’s background check indicates that he/she meets any of the above criteria, the individual will be considered a “restricted person” and unescorted access to Company’s Facilities or CIPS Covered Assets will not be authorized.
