Re: Docket UE-121839—Withdrawal Letter

On November 19, 2012, Pacific Power & Light Company, a division of PacifiCorp, submitted a petition for an accounting order regarding renewable energy credit (REC) revenue rate credits. The petition requested the Washington Utilities and Transportation Commission (Commission) to authorize the company to defer rate credits in excess of amounts owed to customers for REC revenues with the intent that the petition could be withdrawn once litigation in Docket UE-100749 was resolved. The Commission has not issued a hearing notice or otherwise commenced an adjudicative proceeding on the petition. As all issues in Docket UE-100749 have been resolved, the company withdraws its petition.

Please direct inquiries to Ariel Son at (503) 813-5410.

Sincerely,
