RE: Special Fuel Surcharge Supplement #113

Dear Mr. Fricke:

Pacific Northwest Transportation Services, Inc., d/b/a Capital Aeroporter (company), has filed with the Washington Utilities and Transportation Commission (commission) a filing described as "Special Fuel Surcharge Supplement No. 113" containing a request for Less than Statutory Notice with an effective date of January 11, 2013.

Commission Order 02 in Docket A-042090 requires that the requested effective date be "at least three business days after the date the request is received."

The filing was received after 5:00 p.m. on January 8, 2013, which does not allow for the required three business days. However, rather than reject the filing in its entirety, the commission will deem the filing to request an effective date of January 14, 2013.

If you have any questions regarding this letter, please contact Mike Young at myoung@utc.wa.gov or (360) 664-1155.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
