WASH. UT. & TP. COMM

NO MONIES ENCLOSED

According to the Washington Utilities and Transportation Commission (Commission) records, you have committed violations of two Commission rules: (1) Washington Administrative Code (WAC) 480-30-071, which requires Charter and Excursion companies to file annual safety reports with the Commission by December 31 each year; and (2) WAC 480-30-076, which requires such companies to pay regulatory fees annually on that date. You are classified as a Charter and Excursion company. Commission records show that you did not file an annual safety report or pay annual regulatory fees by December 31, 2012.

Revised Code of Washington (RCW) 81.04.405 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each and every such violation shall be a separate and distinct offense and, in the case of a continuing violation, every day's continuance shall be and be deemed to be a separate and distinct violation. The Commission interprets noncompliance with WAC 480-30-071 and WAC 480-30-076 as continuing violations, giving rise to penalties of \$100 for each day a company fails to make each requisite filing after the date on which it was due.

As a result, the Commission hereby notifies you that it has assessed penalties against you in the amount of \$200 on the following basis:

On November 15, 2012, the Commission mailed 2012 Annual Safety Report forms and 2013 Regulatory Fee packets to Charter and Excursion companies registered in Washington state. A letter from the Commission's Assistant Director for Transportation Safety, David Pratt, instructed these companies to file annual reports and pay regulatory fees by December 31, 2012. The letter stated failure to file the annual report by December 31 would result in a penalty and possible cancellation of the company's permit to operate in Washington. Those companies wishing to request an extension to file the annual report were asked to do so prior to December 31, providing a reason for the requested extension. No extension was requested.

On January 7, 2013, the Commission issued a notice to companies that had not yet filed their annual report and paid regulatory fees, informing these companies that they were subject to enforcement action, including the assessment of penalties beginning to accrue on that date. Companies that filed their annual reports and paid regulatory fees after January 7, 2013, but on or before January 18, 2013, are

subject to penalties that the Commission uses its discretion to mitigate to \$25 per day if the company had not made these filings late in prior years. Companies that were late in prior years are subject to an additional \$25 per day for each year in which they were late up to a total of \$100 per day. For first time late-filers who filed their report after January 18, the Commission will mitigate the penalties to 50 percent of the maximum permissible amount. No further mitigation will be granted unless the company provides new information that is unrelated to these factors. Mitigation will not be granted on the basis that a company was unaware a report must be filed.

Team Forks, LLC, filed its 2012 Annual Safety Report and paid its 2013 Regulatory Fee on January 17, 2013. That date is eight business days past the January 7, 2013, notice date when penalties began to accrue, resulting in a potential penalty assessment of \$800 (\$100 per day times eight days). Team Forks, LLC, is a first time late-filer and, therefore, is subject to a mitigated penalty of \$25 per day for eight days for a total penalty assessment of \$200.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. If there is a reason for the violation that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty. See RCW 81.04.405.

You have the right to present your request for review or mitigation at a hearing, but you are not required to do so. If you do, the Commission will review the evidence supporting your request in an informal hearing, called a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider your plea and notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due;
- Request a hearing to contest the occurrence of the violations; or
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission will then sue you to collect the penalty.

DATED at Olympia, Washington, and effective March 5, 2013.

we did not need to respond to the email we had received from some ripoff company about filing an "interstate" thing & we are not interstate. Later, i realized my mistake & called several times (your office) about it.

People were on vacation & unavailable for two days. I explained to the lady i finally reached in my panic over your rude letter. My husband was diagnosed with Esophageal Cancer just before all this. i admit i am & was not thinking straight. We closed

the tour company as of 3-1-2013. We hadnt been able to do the tours since about Feb. 1. Charlene Cross Leppell will be putting everything in her name & keeping it going. hopefully, i think it is absolutely rude & nonsensical to charge so much for what was a simple mistake. & the charges do not correspond to the info. not sent. i request a review of this matter.

Sincerely

Debbie Bennett
