The effect of those rules is to penalize any company whose residential rate is less than \$14.00 on June 1, 2013. The penalty is a dollar-for-dollar reduction in universal service support for the Company's operations.

In Docket UT-110858, the Company filed financial information concerning its operations. In discussion with Commission Staff, this filing will be based upon the information that the Company has filed in Docket UT-110858.
