RE: Substitution Pages for TG-131160 - Revised Commodity Credit, G-12 Tariff Number 26 for Rabanco Ltd (dba Republic Services of Kent, Rabanco Companies, Sea Tac Disposal).

Dear Mr. King:

Please find attached copies of pages 36, 37, and the check sheet for substitution in revisions for G-12 Tariff Number 26 for Rabanco Ltd., (dba Republic Services of Kent, Rabanco Companies, Sea Tac Disposal). This proposed change in the tariff reflects the change in the commodity credit for residential customers in the Service Areas in Appendix A and Appendix B from a credit of \$1.37 to a credit of \$0.06 per month and for multi family customers, from a credit of \$0.61 to a credit of \$0.02 per yard. We have previously submitted the accounting work papers and commodity credit templates. We are asking that the rates become effective August 1, 2013.

If you have any questions please don't hesitate to contact me.

Sincerely,
