RE: Peninsula Sanitation Service, Inc., G-011
Submission of Revised Tariff Pages, Tariff 16

Dear Mr. King:

Enclosed is the 3rd Revised Tariff Page No. 2, Check Sheet, 2nd Revised Page No.35, Item 240, 2nd Revised Page 39, Item 260 and 2nd Revised Page 41, Item 270. These pages are being submitted to correct typographical errors to rates agreed to by staff and the company on certain pages in Docket TG-132286. The pages are submitted in PDF and Excel Workbook format.

The Company request exemption from WAC 480-07-520(4) work paper filing requirements as the work papers were already filed in TG-132286.

I also request less than statutory notice with an effective date of April 11, 2013 with the request this case be put on the commission's April 10, 2014 open meeting agenda.

The company is proposing billings for affected customers to be as follows due to the April calendar configuration: rates approved in Docket TG-132286 will be billed at 1/3 of that approved rate and 2/3 of the approved rate in this tariff filing for their April billing.

I have included an LSN form for this filing requesting this filing become effective on April 11, 2014.

If there are any questions regarding this filing, please contact Weldon T. Burton, CPA, telephone number is 360-727-3643, fax number 360-727-7637 and email weldon@weldontburtoncpa.com.

Yours truly,

Weldon Burton
