**RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-140843**

Dear Sir or Madam:

As you are aware, on May 28, 2014, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Green Mountain H2O (Green Mountain) in the amount of \$1000 for violation of WAC 480-110-505, which requires water companies to file an annual report with the Commission by May 1 each year. Green Mountain failed to file its annual report for 2013. The Commission sent Green Mountain a Second Notice on June 25, 2014, and a Final Notice on July 26, 2014.

The Commission has not received the \$1000 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$1000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
