RE: *Washington Utilities and Transportation Commission v. Gold Line Telemangement, Inc.*

Staff's Request to Rescind Penalty Assessment
Docket UT-140886

Dear Mr. King:

On June 2, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UT-140886 against Gold Line Telemangement, Inc. for 10 violations of Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to furnish annual reports to the commission no later than May 1 each year.

The company submitted the annual report via US Mail which was received by the commission on March 10, 2014. Research indicates a clerical error resulted in the company being included on the companies in violation listing. As Gold Line Telemangement, Inc. timely filed its 2013 annual report on March 10, 2014, staff recommends that the assessed penalty be withdrawn and the docket closed.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or aandrews@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services
