RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-140888

Dear Sir or Madam:

As you are aware, on June 2, 2014, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Greenfly Networks, Inc. in the amount of \$300 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report and pay regulatory fees with the Commission by May 1 each year. Greenfly Networks, Inc. filed its 2013 annual report and paid its 2014 regulatory fee on May 6, 2014, 3 business days late, and has incurred a penalty of \$300. The Commission sent Greenfly Networks, Inc. a Final Notice on July 26, 2014.

The Commission has not received the \$300 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$300 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
