Re: Penalty Assessment: UT-140902

Ms. Anderson,

Per our telephone conversation please find enclosed the forms you requested. Our records indicate that we did not file the 2013 annual report due to not having any business in the state of Washington since 2012. Also in my conversation with Virgil Santos, our license had been revoked and we need not to file the 2012 report.

Thank you for your assistance

**WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION**

**NOTICE OF PENALTIES INCURRED AND DUE  
FOR VIOLATIONS OF LAWS AND RULES**

PENALTY ASSESSMENT: UT-140902  
PENALTY AMOUNT: \$1,000

New Century Telecom, Inc.  
3050 Royal Blvd, South, Suite 175  
Alpharetta, GA 30022

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 80.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-120-382 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all telecommunications companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, New Century Telecom, Inc. has not filed its 2013 annual report or paid its 2014 regulatory fee. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.
