Dear Gregory J. Kopta,

I am submitting an application for mitigation. I admit the violations, but I believe that the penalty should be reduced for the reasons set out below.

My name is Jo Olson, Executive Director of the Stillaguamish Senior Center and I am the staff person responsible for completing the form and another staff person was providing the statistics for mileage. Their responsibility was to have the information to me by April 15, 2014 so that I would be able to prepare, complete and submit the form before it was due May 1, 2014.

April 14, 2014 my husband collapsed at home due to a heart attack he was taken to the hospital and diagnosed with severe heart problems and double pneumonia. He spent 15 days in the hospital 7 of which he was in the critical care/intensive care unit. The 28th of April he had a defibrillator implant and was released the 29th of April. The rest of the week I was home with him. I spent most of my time between the hospital and home as I have an 89 year old mother that lives with us. I am not asking for sympathy just letting you know what happened that I was unable to complete and submit by the due date. I returned on May 5, 2014 and it was done and submitted by May 6, 2014.

I appreciate your consideration of my request for reduction in penalties.

Thank you,

Sincerely,

Jo Olson
