Honorable Judge Kopta;

Rocket Transportation is writing this appeal to eliminate or reduce penalty assessments: TC-141037 and TE-141076.

Rocket fully admits that the 2013 Annual Report Forms were filed late and in violation of WAC 480-30-071. We respectfully request that you please take into consideration that we have a history of filing our annual reports on time.

Although it does not excuse the tardiness of the report, we ask that you take into account that Rocket moved our office location the weekend prior to this report being due, April 26 & 27. We had an appointment with our bookkeeper on April 28 to complete the balance sheet portion of the report which was the last part needed prior to filing. The report work became buried within the move and was thought to have been completed and paid.

We are distressed and concerned that the report was filed late and assure you that this was not as we intended nor reflects our history.

Thank you for your time and consideration in this matter.

Respectfully,

Rafael and Kathy Roman
