Transmittal Letter

Re: Time Schedule Changes

Dear Mr. King;

This is a filing in accordance with WAC 480-30-381 Time Schedule Changes and 480-30-316 for 30 day notice requirement.

We propose these schedule changes to our departure and arrival times on the 2nd and 3rd of our 3 round trips per day to allow longer turn-around times between trips for refueling and performance of vehicle inspection/maintenance; as well as to tailor our schedule to target peak flight arrival and departure times to best serve our customers.

Passenger Transportation Notice to Customers of this schedule change proposal is attached (using the tariff page with revised time schedule as flip side of notice) and has been posted, as of September 1, 2014, on both company buses and in the office per WAC 480-30-321.

Please let me know if I need to act further to implement this change.

Thank you,
Joel Kronenberg,
President & CEO
