

Sunshine Disposal & Recycling

November 17, 2014

Dear Mr. King:

Enclosed are proposed revisions to Tariff 3 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260).

The purpose of this filing is to adjust rates to reflect disposal fee changes in Spokane County. Attached are the notifications for the proposed changes. These changes result in an increase for customers in the Cities of Spokane and Airway Heights, and a decrease for customers outside those cities.

This filing also extends the annual recycle commodity credit, which is unchanged.

The net impact of these changes will decrease revenue approximately \$49,000 or 1.5% annually. Customers will be notified of the rate change on their next regular billing.

We request waiver from the requirements of WAC 480-07-520 due to the fact that this rate change only covers changes in disposal fees.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
Chief Financial Officer
