RE: Fiorito Enterprises, Inc. & Rabanco Companies – G-60 / Kent-Meridian Disposal / Allied Waste Services of Kent / Republic Services of Kent Less Than Statutory Notice Tariff Revision

Dear Mr. King,

Please accept this less than statutory notice update to our tariff pages, item 5 (Application of Rates – Taxes). Attached is an updated check sheet and tariff page for Fiorito Enterprises, Inc. & Rabanco Companies, Certificate G-60 (DBA Kent-Meridian Disposal, Allied Waste Services of Kent, & Republic Services of Kent). Updates reflect adjustments to tax rates related to the King County Board of Health's Local Hazardous Waste Fee. Adjustments to King County BOH's fee schedule was updated and approved on July 7, 2014 to take effect on April 1, 2015. These are pass-through fees assessed on Residential and Commercial accounts we are asking for an effective date of April 1, 2015 to stay in compliance with the program.

The new fee schedule is an attempt to move to a 'usage based' fee structure where Residential customers will see a reduction in rates and for Commercial accounts, approximately 20% will pay less than they are now, 71% will pay about a dollar more, and about 8% will pay about \$35 more.

Sincerely,
