IMPORTANT NOTICE

Iliad Water Service Inc. has filed with the Washington Utilities and Transportation Commission ("Commission") to approve its financing plan for the assessment on its customers for the completion of the corrosion control treatment plant. This is to pay for the corrosion control treatment plant ordered to be installed by the Department of Health. The proposed effective date of the filing is April 1, 2015.

This plant is necessary to treat the water you receive and protect against possible lead and copper corrosion.

The assessment amount is \$4,586.00 per customer. The financing will be a ten (10) year contract at 8-1/2% interest. The customer's monthly payment will be approximately \$57.00 per month, but taxes of \$219.00 per customer will have to be paid up front.

If you have any questions about the proposed filing and how it will affect you, please call the Company at 206-282-4200 or 800-928-3750.

The Commission has the authority to set rates that may vary from the Company's request, depending on the outcome of its investigation. Commission staff will make a recommendation to the commissioners at an open meeting in Olympia, which is scheduled for 9:30 a.m. on March 26, 2015. You will have an opportunity to comment in person at this meeting. If you are unable to attend the open meeting, the Commission has a bridge line which enables you to participate by telephone. Call 360-664-1234 the day before the open meeting for instructions and to sign in. You can also comment by using the "Public Comment" feature at the commission's web site, at utc.wa.gov, or by using the contact information below.
