Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 13

Please find enclosed revised tariff pages Title page, 2, 22, 23, 30, 32, 33, 35, 37 and 39 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014. As shown on the attached letter from the Countywide Solid Waste Programs of Douglas County (CSWPD), Waste Management's "fair share" portion of the fee for 2015 is \$174,108. However, the information previously provided to the County was in error. Our revised calculations show that Waste Management's "fair share" of the fee should be \$168,967 and accordingly our tariff filing reflects this lower amount. The total amount of the assessment is very close to the amount in prior years however; because the numbers of customers and volumes have increased we are proposing that the fee charged to customers be reduced by approximately 13%. Due to an oversight we are a bit delinquent in filing these revised tariff pages. Accordingly since the rates are proposed to decrease, we are requesting that the proposed effective date of the renewal of this fee be May 1, 2015.

Enclosed for your review is our accounting work papers and the letter from the DCSWPD that establishes the fee referred to above for 2015.

Please disregard the filing made through the web portal on April 21, 2015 per confirmation ID 2030.
