re: DOCKET #: UT-150859

This letter is a formal request to ask the Commission to take consideration in waiving a penalty assessment against Unity Telecom, LLC.

While Unity Telecom, LLC was given authority to operate in the state of Washington, the company never established service or business operations within the state and has since dissolved the company in other states.

We appreciate your attention to this matter and please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Stuart McCallum".
