Penalty Assessment: TV-150903

Dear Washington Utilities And Transportation Commission,

Gigantic Moving & Storage politely requests a reduction of the penalties imposed on us for failing to submit our 2014 Annual Report by the deadlines put forth by your commission.

The primary reason that we request a reduction in penalty is simply that it is our 1st offense and we will be sure to correct the errors that led to our late filing. The documents were misplaced by an employee in our office and never made it to management, so we were left unaware that the report had to be filed. But of course that's just the short explanation of what occurred, not an excuse. This is our 1st offense and will be our last. For that reason we politely request a reduction in the penalty amount imposed by the commission.

As a young company currently trying to get over the threshold of becoming profitable and this penalty will certainly be a setback. Any assistance you can offer would be greatly appreciated.

Best Regards,
