Object: Request of Case Hearing.

UBI Number: 601 938 365
Citation: TC-150978

Honorable Judge,

I respectfully request a Hearing on the above case.

- Seatac Airport 24 is a new small company in The State Of Washington, helping people get around and; Seatac Airport 24 is not aware of any other filing beside Federal Annual Tax Filing which Seatac Airport 24 has always filed and complied.
- Seatac Airport 24 is financially instable.
- Another problem is, I moved from my old address due to remodeling:

165 17th Avenue APT 102, SEATTLE, WA 98122

To my new place:

1800 S Jackson Street APT 211, SEATTLE, WA 98144

This has also caused to miss some correspondences.

- I have just received the First Correspondence in this matter last week at Post Office and through a Post Office Agent where my signature was required.
- Seatac Airport 24 will promptly comply as soon as this matter is cleared.

Honorable Judge,

I respectfully request that all these facts be considered in account.

Sincerely,
Yours.

Sani Mahama Maurou,
President & CEO, Owner and Operator.
