RE: *Washington Utilities and Transportation Commission v. Agyen, Linda T.*

Staff's Request to Rescind Penalty Assessment TE-150998

Dear Mr. King:

On June 8, 2015, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket TE-150998 against Linda T. Agyen for 10 violations of Washington Administrative Code (WAC 480-30-071), which requires charter and excursion carriers to furnish annual reports to the commission no later than May 1 each year.

The company contacted commission staff on June 8, 2015 via phone inquiring if she needed to respond to the penalty assessment issued as she ceased doing business in 2013. Upon further research, staff discovered that while the company had a status of "Active" in the commission database, the company had been cancelled for lack of insurance in Docket TE-143577 on November 3, 2014. The company's status now reflects "Inactive" in the database. Due to the technical error, staff recommends the penalty against Linda T. Agyen be rescinded.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or aandrews@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services
