Re: Advice No. 2015-14 – Electric Tariff Filing – Filed Electronically

Dear Mr. King:

Puget Sound Energy, Inc. (“PSE”) hereby submits proposed revisions to its electric Schedule 120, Electricity Conservation Service Rider. This filing, pursuant to RCW 80.28.060 and Chapter 480-80 WAC, proposes changes to the following electric tariff sheets:

WN U-60, Tariff G (Electric Tariff)
3rd Revision of Sheet No. 120-F – Schedule No. 120, Electricity Conservation Service Rider (Continued)
Original of Sheet No. 120-G – Schedule No. 120, Electricity Conservation Service Rider (Continued)

The purpose of this filing is to add a new paragraph, Section 4, that provides a summary of PSE’s conservation rider cost recovery procedures, as required in WAC 480-109-130(1). This will be in addition to the summary that is currently in Schedule 83.

PSE collaborated with Commission Staff to draft the new section for Schedule 120 and notified the CRAG, on June 4, 2015, of PSE’s intention to file an update to Schedule 120.

The tariff sheets described herein reflect an issue date of June 10, 2015, and an effective date of July 10, 2015. Posting of the proposed tariff changes, as required by WAC 480-100-193, is being made by posting the proposed tariff sheets on the PSE web site immediately prior to or coincident with the date of this transmittal letter. Publication is not required by WAC 480-100-194 as this filing does not increase rates or restrict access to service.

PSE appreciates the Commission Staff’s thorough review and assistance in facilitating this revision.

Mr. Steven V. King
