TOTAL ESTIMATED PROJECT COST<sup>1</sup>

18,450.00

Cost per Lot:

\$2,306

Assumptions:

<sup>1)</sup> This document is intended to forecast approximate construction costs based upon current information and similar projects, and is not intended to accurately represent actual design or construction components or prices. The final project costs will be billed based on actual hours and materials used to complete the project.

<sup>2)</sup> Totals are rounded to nearest \$1,000.

<sup>3)</sup> Costs in this estimate are good for 30-days from the date the estimate is issued.

<sup>4)</sup> A deposit maybe required to be paid prior to commencement of construction.
