Re: TG-152373 - Dismissing Application

Dear EcoMed Services, LLC:

On December 21, 2015, EcoMed Services, LLC filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Solid Waste carrier in the state of Washington.

On January 5, February 8, and March 23, 2016, the Commission sent EcoMed Services, LLC notices describing the application requirements the company had not satisfied. Despite these notices, EcoMed Services, LLC has not met the following requirements as of the date of this letter: the company has not applied for or received a USDOT number, a complete description of the proposed route using streets, avenues, roads, etc as per WAC 480-70-091(3)(a), and a completed balance sheet, income statement with revenue, and a completed tariff.

Accordingly, the application filed by EcoMed Services, LLC in TG-152373 for Solid Waste authority is dismissed for failure to meet the application requirements.
