RE: Transmittal of revisions to Tariff #11 Rules and Rates

Dear Mr. King:

Shuttle Express is submitting the revised Tariff No 11 reflecting changes intended to consolidate its discounts available to consumers and simplify the application of the flexible fare provisions. We are submitting this request with 30 day notice and an effective date of February 28th, 2016.

The replacement tariff page makes the following changes:

1. Removal of portions of Rules and Regulations specifically relating to “Round-Trip” fares and discounts. Due to the changes made in WAC 480-30-420, this discount no longer needs to be specified as combination of other existing discounts and flexible fare provisions now allow us to reduce our fares without notice;
2. Removal of round-trip discounts specified in Rate Schedules 9, 10, 11, and 17. As above, the specific discount is no longer necessary as the fares may be reduced without notice.

No changes other than those listed above have been made to the originally filed documents.

We have also attached a copy of the notice posted on 1/29/2016 in accordance with WAC 480-30-316.

Thank you in advance for your consideration; we are optimistic of receiving approval for this request from the Commission.

Respectfully,

Wesley A. Marks  
Accounting Manager
