Re: Mashell Telecom, Inc. - Sixth Revised Sheet No. 103.1 Canceling Fifth Revised Sheet No. 103.1.

Dear Mr. King:

Attached you will find the above-referenced tariff sheet. The purpose of this filing is to increase the monthly Residential Exchange Access Line Service Option A and B to \$18.00 from its current rate of \$16.00 (12.50%) effective May 1, 2016.

The overall annual revenue effect for the Company is an increase of \$50,016.

This filing conforms the Company's tariff to the "urban rate floor" provisions of FCC Order No. 11-161 and subsequent rules. In the course of that Order, the Federal Communications Commission adopted new rules concerning the universal service program. The effect of those rules is to penalize any company whose residential rate is less than \$18.00 on June 1, 2016. The penalty is a dollar-for-dollar reduction in universal service support for the Company's operations.

In Docket UT-151520, the Company filed financial information concerning its operations. In discussion with Commission Staff, this filing will be based upon the information that the Company has filed in Docket UT-151520. As a result of using the financial information filed by the Company in Docket UT-151520, the Company believes the filing complies with the requirements of WAC 480-120-339.

The Notice to customers is attached and includes additional information concerning the

The undersigned has authority to issue and file tariff sheets on behalf Mashell Telecom, Inc.
