**RE: McDaniel Telephone Company
Metaswitch Conversion: Off Premise Extension**

To whom it may concern:

Please find enclosed the following tariff pages:

**WN U-4 Schedule 9 Fourth Revised Sheet 105
Third Revised Sheet 106**

The purpose of this filing is to grandfather and/or modify certain services and features offered by the Company. The Company will not be offering these services due to changes in network facilities. With this filing we will be revising Off Premise Extension in an effort to standardize our language across all TDS Companies. Along with the OPX language standardization we will be grandfathering OPX provisioned in or through the Central Office. We do not yet have customer counts on this service as it is done with a switch audit at the time of conversion. A copy of the Customer Notice is included. Customers will be notified with their September bills.

The proposed effective date is October 7, 2016.

If you have any questions, please contact me.

Sincerely,
