UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of Determining the Proper
Carrier Classification of, and Complaint
for Penalties against:

CHERYL BALL d/b/a ACME MOVING
LABOR

DOCKET TV-161206

DECLARATION OF
RACHEL JONES

Rachel Jones, under penalty of perjury under the laws of the State of Washington, declares as follows:

1. I am employed by the Washington Utilities and Transportation Commission (Commission) as a Compliance Investigator in the Consumer Protection Section. As a Compliance Investigator, my responsibilities include conducting investigations regarding the business practices of regulated utility and transportation companies. As part of those duties, I investigate household goods carriers that may be operating without the required Commission permit.
2. On September 9, 2016, I received a tip on the illegal moving hotline, that Acme Moving Labor was performing household goods moves without having a permit with the Commission. I was told the company has a business website at www.acmemovinglabor.com and that this company is charging rates outside of the tariff. I began an investigation into the activities of Acme Moving Labor on September 12, 2016.
3. After researching on the internet I found several websites connected to the name Acme Moving Labor. These websites included www.yelp.com, www.youtube.com, and www.acmemovinglabor.com. On www.yelp.com, the advertisement for Acme Moving Labor included the business website www.acmemovinglabor.com, contact telephone number of (206) 629-7147, address: 345 Pacific Ave. N. MM1, Pacific, WA 98407. In several reviews, Kedric Jackson is named as a manager and crew worker.¹ I completed a search on Washington State Department of Licensing and Washington Secretary of State's websites, which produced no records. I performed a search on Washington State Department of Revenue, which produced results for Acme Moving Labor. The entity name is Cheryl Ball, mailing address: 839 1st Ave. N.,

¹ See Attachment A for copy of the www.yelp.com and www.acmenmovinglabor.com advertisements, which I printed on September 12, 2016.

Kent, WA 98032-3070, and business address: 345 Pacific Ave. N. JJ-2, Kent, WA 98047-1293.²

4. A search on the U.S. Department of Transportation Safety and Fitness Electronic Records (SAFER) website produced results, Cheryl Ball is listed as the owner of Acme Moving Labor. The physical and mailing addresses are documented as 839 1st Ave. North, Kent, WA 98032. The website www.acmemovinglabor.com has a contact telephone number of (206) 629-7147.³
5. I reviewed Commission records on September 12, 2016, related to Acme Moving Labor to determine whether the company held a household goods permit. As of that date, Commission records showed neither Cheryl Ball nor Acme Moving Labor have ever applied for, or received, a household goods permit.⁴
6. On September 12, 2016, at 1:17 p.m., I called (206) 629-7174 under an assumed name and requested an estimate on a household goods move. A male answered the phone and I told him, I'm moving from a two-bedroom apartment in Kent, WA to another apartment complex in Kent, WA on September 29, 2016. The male responded back that it will be \$140 per hour for two movers and a truck, with a minimum of three hours and \$125 surcharge fee for fuel. I was told the moving time will start when the workers arrive at my place and end when they finish unloading.
7. On September 19, 2016, a compliance letter was sent to Cheryl Ball to cease and desist all operations with household goods moves until a permit is obtained from the Commission.⁵
8. On September 29, 2016, the Commission received an application for a household goods permit from Cheryl Ball, for Acme Moving Labor.⁶
9. On October 4, 2016, Mr. Jackson submitted a letter on behalf of Acme Moving Labor to Commission staff requesting more time to cease advertisement as a household goods carrier. On October 4, 2016, Acme Moving Labor was granted until October 13, 2016, to make the necessary changes to the company's on-line advertisements.⁷

² See Attachment B for a copy of Department of Licensing, WA Secretary of State records, and Department of Revenue, which I printed on September 12, 2016.

³ See Attachment C for a copy of SAFER Record, which I printed on September 12, 2016.

⁴ See Attachment D for a copy of Commission Records documenting no record of a permit for Acme Moving Labor.

⁵ See Attachment E for a copy of the Compliance Letter, dated September 19, 2016.

⁶ See Attachment F for copy of the Household Goods Permit Application, filed on September 29, 2016.

⁷ See Attachment G for a copy of the letter dated on October 1, 2016, and Commission staff's response, dated October 4, 2016.

10. On October 19, 2016, the Commission issued a Notice of Intent to Deny and Notice of Opportunity for Hearing, due to the criminal history of the company's operation manager Mr. Jackson. A docket number was assigned, TV-161097. On October 31, 2016, Acme Moving Labor requested a hearing. A hearing was scheduled for December 6, 2016.⁸
11. On November 14, 2016, I did an internet search of www.yelp.com, where I found photographs related to a residential move posted by the business owner, Acme Moving Labor on October 30, 2016.⁹
12. On December 1, 2016, I conducted an internet search on www.yelp.com, and found an Acme Moving Labor advertisement that stated, "Free truck rental, packing, loading, PODs, Seattle."¹⁰
13. On December 1, 2016, under an assumed name I requested a quote for a residential move from Acme Moving Labor's yelp website. I stated I wanted a quote for a move in Auburn, from a two-bedroom apartment to a five-bedroom house in Auburn. I stated, "I need full service, packing, unpacking, and stuff to be picked up from storage and delivered to my new address." I received an email response back from Kedric Jackson, Acme Moving Labor, stating that they are not available. When I asked if he could provide me with recommendations, he responded by asking me what date I wanted to move.
14. On December 2, 2016, I responded to Mr. Jackson by email telling him that I was looking to move on December 16, 2016. Mr. Jackson responded and stated he had rearranged his schedule and was able to help me move on the 16th. Mr. Jackson requested that I call him at (253) 653-8635. I called the number and a male answered and identified himself as Kedric Jackson. Mr. Jackson wanted to know how far my old address and new address was from each other. I told him it was about 15 to 20 minutes. I told Mr. Jackson I needed full service, which included packing, unpacking, a truck, and help moving my belongings from storage to my new address. I told Mr. Jackson that I received a quote of \$6,000 from another company. Mr. Jackson said he can move me for cheaper, including packing, unpacking, a truck, and delivering my stuff from storage. He requested to come by my place and see what goods I have to give me an accurate estimate.

⁸ See Attachment H for a copy of Notice of Intent to Deny Application, dated October 19, 2016

⁹ See Attachment I for a copy of www.yelp.com advertisement and photographs of a residential move, which I printed on November 14, 2016.

¹⁰ See Attachment J for a copy of the www.yelp.com advertisement and messages, which I printed on December 1, 2016.

15. On December 2, 2016, Mr. Ross Day, who is the attorney representing Cheryl Ball the owner of Acme Moving Labor, requested to withdraw Acme Moving Labor's application and hearing.¹¹
16. On December 15, 2016, I reviewed Department of Revenue records (DOR), Washington Secretary of State records, Department of Licensing, and SAFER records, to see if Cheryl Ball was still active in their databases. Records showed Cheryl Ball as active in DOR records and SAFER records. There are no records of Cheryl Ball or Acme Moving Labor in the Department of Licensing database; however, the records in Washington Secretary of State show Mr. Ross Day as the agent of Acme Moving Labor, LLC, filed on October 7, 2016.¹²

DATED this 19th day of December, 2016, at Olympia, Washington.

RACHEL JONES

Kedric arrived on time with a crew ready to work. These guys really impressed me with the care they took of my belongings. They were quick, careful and efficient. They moved my belongs out of my condo and took them to storage where they carefully and thoughtfully packed my storage unit. They billed exactly what they quoted so there were no surprises. I do not hesitate to recommend these guys to anyone needing to move.

Absolutely great!! Mr. Kedric Jackson is the business owner, and for my job he brought a crew of 3 including himself. They arrived right on time and worked tirelessly and meticulously on all of the project. I had moved into a small condo but brought most of what was in a 1200 SF house. The job was loading everything from the condo (which looked like an episode of "Hoarders") back into a POD - the larger one. I had a lot of books, some furniture and some delicate artwork and paintings. Can't say enough about how caring and focused each person was, with Kedric in particular being very much on top of every detail. It was impressive and a pleasure to have them rescue me. I have back trouble and a recently fractured wrist. They brought boxes, packing blankets and materials. Look no further -- Acme Moving & Labor, and Kedric are the real deal.

From the moment I called for a quote until our completed move I had total confidence in this company and especially Kedric. He was professional, courteous, prompt and treated our belongings as if they were his own. He and his partner Benson were very organized, skillful, and FAST. I have no hesitation in recommending them for your job, big or small.

I will not give rude people my business. I called to inquire about loading/unloading service. The first time I called and explained what I was looking for, the call dropped. I immediately called back, got the same deep voice gentleman, and I asked "can you hear me?" Which is a logical question considering the call dropped the 1st time. His response to me "well I guess I cant!" Not a great response for someone trying to give you business. Yep, I'll pass.

Only one word for ACME Moving is Awesome! We were waiting for our long distance escrow to close, called Jackson late in the day and he was able to squeeze us in the next day!
They were prompt, professional, did exactly what he promised with no problems. Couldn't be more satisfied. Great people to work with.

I used ACME at the end of May for my move. Kedric was very fast to respond to my request, give a reasonable quote, and book a time. They showed up in a large moving truck, which was nice because they were able to fit my entire home in there. The crew was very friendly & funny. The move went very smooth, Kedric & his team are precise and fast. I would definitely use them again.

I used Kedric and his crew a month ago. They did a tremendous job, took fantastic care of my furniture,

wrapped everything and assembled what was necessary. Pricing was excellent for the work and time they used to move. No complaints. Everything on time. Clean, professional, friendly - and yes, I would use them again.

Kedric had a client that ended up putting us a day out. A great discount, Starbucks gift card, and a day later, they were up bright and early and packed and unpacked within three hours. I would definitely recommend, and if I ever have to move again, I'd call Kedric and crew.

We were stuck last minute and Acme was able to help us out. All I can say are good things. They were fast and like I read in another in another review he only charged is for the time worked, only three hours! I bought the large moving boxes and packed them heavy and it was no problem they just grabbed their dollies and had the stuff down the stairs in no time. Both him and I believe it was his son were very polite even making sure to do the little things. Of course we wanted to give them a tip for doing such a great job and all they really wanted was for a review and that's the least I could do. If you read this thanks again. I would highly recommend this company to someone looking to move and not spend a ton of money to do it.

I am so glad we hired Acme Moving Labor to move us out of our house and load the U-Haul! Kedric and Antonio were on time, professional, respectful of our home and our belongings. They took great care to make sure that the house was emptied and the truck was loaded in a logical manner. They paid special attention to making sure that the load was secure and well protected for the trip. When we got to our destination and unloaded, it was easy to see that the load had not shifted at all.

The icing on the cake was the compliment made by the crew who unloaded the U-Haul:

"Whoever put this truck together really knew what they were doing. This is one of the best loads we've ever seen!"

I wish there were more stars to give on this one! I started out looking on Yelp for the reviews for local movers, I sent out for a few estimates and Kedric from Acme Moving was one of the first to respond. I was hoping he and his company weren't too good to be true by the Yelp reviews I've already read, but I emailed with him a bit and got my quote, which was better than most as his company does not charge you from the time they leave their place till the time they get back to their place, so with that part done we just waited for moving day to come still praying he's THIS good! Well the day before we were booked to move, we found out we couldn't move yet! I was freaking out and pretty unhappy with some people to say the least. So I called Kedric with this horrible news and asked if he would be willing and able to do a last minute move and he said something like "absolutely! That's what we specialize in!" Oh I was so relieved! He told me just keep him updated and let him know ASAP when the move would take place. So I did just that and I believe we had 3-4 days notice. This was an extremely stressful time for me. I've moved many many times and have come to actually dislike it more than going to the dentist! So I was so relieved and a huge weight was lifted when Kedric said it'll be alright! We had to move in the afternoon which was fine with us and he and his assistant showed up right when they said they would. They quickly moved everything out of our 2nd story apartment in downtown Kent, loaded up the truck (thankfully the sprinkles didn't progress into rain and stopped!) they got us into the new place (thankfully no stairs here). They were professional, friendly, extremely helpful and actually care. Kedric said this is what I can do and he did exactly that! It was within the time he quoted me and not one thing was broken or anything. I highly recommend Acme Moving! If you're planning a move, give Kedric a call or email! I promise you won't be sorry! You'll be able to relax a bit knowing it will get done correctly, efficiently and safely without charging tons of \$\$\$! THANK YOU SOOOO MUCH!

I have had many moving experiences in my life and this was by far the best. We were referred to Kendric by Dan and Units. We were in a pinch timing wise and they took care of everything. So nice, careful with our stuff, and so fast. You can tell they have done this many times, they quickly sized up the pieces, put a plan in place, and negotiated the floor plan and trip to the Unit which we didn't do a very good job of planning for.

They made it so easy on us and I wont go anywhere else next time I need to move.

Thank you Acme!!!!

Found this company on Yelp and all the positive comments are correct! The guys were punctual and extremely helpful. They are pros who know their job and work efficiently and very carefully. In my move they packed my 30-foot U-Haul truck (including my piano) and then unloaded it all at the new place. In both houses they were super cautious about bumping or scratching (both the furniture and the walls) and even rolled out the red carpet to avoid any soil on the floor. Doing all this they moved quickly and with fun positive attitudes. I would definitely hire them again and recommend them for your move!

Kedric and his team were fantastic! With only a couple hours notice, they unloaded a full U-Pack trailer for us into a two story home including a piano in two hours. Not only are they fast, but they are very careful, taking extra precautions not to damage the items or the home into which they are being moved. Furthermore, Kedric was very professional and made sure that the pricing was clearly communicated beforehand. I cannot say enough positive things about these guys, their work is worth every penny! I will use them next time we move.

RE: Household Goods Moving in Washington State

Dear Ms. Ball:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods moving services have been found on www.yelp.com and www.acmemovinglabor.com. You do not have a valid permit, as required by state law, to conduct this type of work. Conducting household good moves requires a permit issued by the commission.

To avoid enforcement action, your completed household goods permit application, supporting materials, and application fee must be submitted to the commission by **Oct. 03, 2016**.

Until you obtain a permit, you must immediately cease advertising as a household goods mover in Washington State. Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5000 per violation**. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for Acme Moving Labor.

If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you. Such action will include the above-mentioned financial penalties, and you will be served with a subpoena and be required to appear before a judge.

Respect. Professionalism. Integrity. Accountability.

Acme Moving Labor

Again, to avoid enforcement action, you complete application, supporting materials, and application fee must be submitted to the commission by **Oct. 03, 2016**.

If you have any questions about the household goods laws, please contact Rachel Jones, Compliance Investigator, at (360) 664-1129.

Should you decide to apply for a household goods moving permit, please note that you still may not operate as a household goods mover in Washington State until you have received a permit. To request a permit application, please call (360) 664-1222. You may also download an application from the commission's website at <http://utc.wa.gov/mover>.

In re Application of

CHERYL ANN BALL
d/b/a ACME MOVING LABOR

for a permit to operate as a motor carrier
of household goods.

DOCKET TV-161097

NOTICE OF INTENT TO DENY
APPLICATION FOR PERMANENT
AUTHORITY

NOTICE OF OPPORTUNITY FOR
HEARING

BACKGROUND

- 1 On September 29, 2016, Cheryl Ann Ball d/b/a Acme Moving Labor (Acme Moving Labor or Applicant) filed an application with the Washington Utilities and Transportation Commission (Commission) for authority to operate as a household goods carrier in the state of Washington (Application). Cheryl Ann Ball, the company's owner, signed the Application, which identified Kedric D. Jackson as Acme Moving Labor's Operations Manager.
- 2 RCW 81.80.075(3) requires the Commission to consider whether an applicant for a household goods carrier permit is fit to perform the services proposed and conform to the requirements, rules, and regulations of the Commission, and whether the operations are consistent with the public interest.
- 3 The Commission will grant or deny an application for permanent authority after it conducts a complete review of the application, including supporting statements, reports, or other information necessary to determine fitness. Commission rules provide that the Commission may reject or deny an application for permanent authority if the Commission believes the applicant is unfit, or if issuing the permit is not in the public interest.
- 4 The Commission will not grant permanent authority if an applicant or any of its employees has been convicted of any crime involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale or distribution of a controlled substance within five years of the date of the application¹ or more than

¹ WAC 480-15-302(8)(a)

five years prior to the date of the application if the Commission determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.²

- 5 If it is necessary to resolve outstanding issues or concerns related to fitness or the public interest, or any other issue resulting from a complaint or public comment, the Commission may hold a hearing or brief adjudicative proceeding on any application for permanent authority.³
- 6 Commission Staff (Staff) has reviewed the Application, and recommends that the Commission deny the Application for reasons set out below.

FACTUAL ALLEGATIONS

- 7 On October 4, 2016, Staff generated a Washington Access to Criminal History (WATCH) report issued by the Washington State Patrol Identification and Criminal History Section for both Ms. Cheryl Ann Ball, owner, and Mr. Kedric D. Jackson, Operations Manager.
- 8 The WATCH report documents that Mr. Jackson was convicted of Assault 4 on December 2, 2011, which is within the five years from the date Acme Moving Labor filed its application. Pursuant to WAC-480-15-302(8)(a), the Commission will not grant permanent authority if an applicant or any of its employees has been convicted of any crime involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale or distribution of a controlled substance within five years of the date of the application.
- 9 Staff recommends the Commission deny the Application for Acme Moving Labor for failure to meet the requirements of WAC 480-15-302(8)(a). Staff believes that Mr. Jackson's Assault 4 conviction from December 2, 2011, poses an unacceptable risk to consumers and their belongings if he is involved in Acme Moving Labor's operations.
- 10 The WATCH report also states that Mr. Jackson was convicted of the following additional offenses:
- Assault 4 – November 16, 2009
 - Theft 2 – January 11, 2006

² WAC 480-15-302(8)(b)

³ WAC 480-15-350

- Violation of the Uniform Controlled Substances Act for the Manufacture/Delivery/Possession of a Controlled Substance with Intent – March 6, 2000
 - Assault 4 – May 3, 1996
 - Assault 2 – July 21, 1986
- 11 Under WAC 480-15-302(8)(b), the Commission will deny operating authority to an applicant if a person named in the application has been convicted of any crime involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance more than five years prior to the date of the application and the commission determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company. Staff believes that the nature and extent of Mr. Jackson's additional convictions will likely interfere with the proper operation of a household goods moving company. Accordingly, Staff also recommends the Commission deny the Application for Acme Moving Labor based on WAC 480-15-302(8)(b).
- 12 The WATCH report further states that Mr. Jackson was convicted of the following additional crimes:
- Malicious Mischief 2 – December 2, 2011
 - Reckless Driving – December 8, 2011
 - Riot with a Deadly Weapon – November 16, 2009
- 13 While these offenses are not among those listed in WAC 480-15-302(8)(b), Staff believes that these convictions, in conjunction with his other crimes, are an additional basis to deny the application under WAC 480-15-302(13). Permitting a company that employs Mr. Jackson with his extensive criminal history to operate as a household goods moving company would pose an unacceptable risk to consumers and their belongings.

DISCUSSION

- 14 Based on the information Staff has presented, the Commission agrees with Staff's recommendation and intends to deny the Application. The facts of which the Commission are aware demonstrate that Kedric D. Jackson's position as Operations Manager renders Acme Moving Labor unfit to operate as a household goods moving company because of his criminal history.

- 15 Staff's findings support the conclusion that the Applicant has failed to meet the requirements of WAC 480-15-302(8) and WAC 480-15-302(13) and that the Commission should deny the Application.

NOTICE

- 16 The Commission hereby provides notice of its intention to deny Acme Moving Labor's Application for permanent authority for failure to meet the application requirements in RCW 81.80 and WAC 480-15.
- 17 **NOTICE OF OPPORTUNITY FOR HEARING.** Acme Moving Labor may request a hearing to contest the factual allegations set out in this notice. Acme Moving Labor may request such a hearing by filing a written request for a hearing with the Commission by **October 31, 2016**. An original and five (5) paper copies of the request must be directed to the attention of Steven V. King, Executive Director and Secretary, Washington Utilities and Transportation Commission, P.O. Box 47250, Olympia, WA 98504-7250, and must reference Docket TV-161097.
- 18 If Acme Moving Labor requests a hearing by **October 31, 2016**, the Commission will schedule a brief adjudicative proceeding under RCW 34.05.482 and WAC 480-07-610. If Acme Moving Labor does not request a hearing by that date, the Commission will enter an order rejecting the Application.

DATED at Olympia, Washington, and effective October 19, 2016.

Kedric arrived on time with a crew ready to work. These guys really impressed me with the care they took of my belongings. They were quick, careful and efficient. They moved my belongs out of my condo and took them to storage where they carefully and thoughtfully packed my storage unit. They billed exactly what they quoted so there were no surprises. I do not hesitate to recommend these guys to anyone needing to move.

I had an unnamed moving company back out on me less than week before I was supposed to move. I suspect because it was a small move and only 1 block away and it wasn't worth their time, although they initially committed to me.

I tracked down ACME Moving Labor and spoke with Kedric. He provided an accurate quote and

Absolutely great!! Mr. Kedric Jackson is the business owner, and for my job he brought a crew of 3 including himself. They arrived right on time and worked tirelessly and meticulously on all of the project. I had moved into a small condo but brought most of what was in a 1200 SF house. The job was loading everything from the condo (which looked like an episode of "Hoarders"!) back into a POD - the larger one. I had a lot of books, some furniture and some delicate artwork and paintings. Can't say enough about how caring and focused each person was, with **Kedric** in particular being very much on top of every detail. It was impressive and a pleasure to have them rescue me. I have back trouble and a recently fractured wrist. They brought boxes, packing blankets and materials. Look no further - Acme Moving & Labor, and **Kedric** are the real deal.
