RE: Skagit County Solid Waste Management Plan

Dear Diana:

This letter is a request for Ecology to conduct a review of the preliminary draft of the Skagit County Solid Waste Management Plan. Please forward copies of the plan to the UTC and the Department of Agriculture for their review and comment as well.

The plan has undergone a public comment period. The comments received and our responses to the comments are also included with this submittal.

I can be reached at (360) 416-1441 if you have any questions or need additional information.

Sincerely,

Margo Gillaspy, LHg  
Solid Waste Division Manager
