Seeking Exemption from the Provisions
of WAC 480-90-275 Requiring Gas
Companies to File the 2016 Fourth
Quarter Results of Operations Report by
February 14, 2017

DOCKET UG-170032

ORDER 01

ORDER GRANTING
EXEMPTION FROM RULE;
GRANTING ADDITIONAL TIME
TO FILE THE FOURTH
QUARTER RESULTS OF
OPERATIONS

BACKGROUND

- 1 On January 13, 2017, Northwest Natural Gas Company (NW Natural or Company) filed with the Washington Utilities and Transportation Commission (Commission) a petition requesting exemption from WAC 480-90-275. WAC 480-90-275 requires companies to file their fourth quarter results of operations report by February 14 of every calendar year. NW Natural requests an extension of time to file its 2016 report in order to avoid having its results of operations report posted on the Commission's website prior to the Company's official fourth quarter and full-year earnings release and conference call to the rating agencies. The Commission deems the Company's request for an extension until February 27, 2017, an exemption from the rule.
- 2 An exemption from a rule may be granted if the exemption is in the public interest and consistent with the purposes underlying the rule. After reviewing NW Natural's petition for an exemption, Commission Staff recommended granting the request to ensure that the Company does not release information prior to its scheduled conference call with rating agencies, provided that the Company files the 2016 fourth quarter results of operations report by February 27, 2017.

FINDINGS AND CONCLUSIONS

- 3 (1) The Commission is an agency of the State of Washington vested by statute with the authority to regulate rates, rules, regulations, practices, accounts, securities, transfers of property and affiliated interests of public service companies, including gas companies.

- 4 (2) NW Natural is engaged in the business of providing gas services within the state of Washington and is a public service company subject to Commission jurisdiction.
- 5 (3) NW Natural is subject to WAC 480-90-275, which requires gas companies to file a report of actual results for Washington operations within forty-five days of the end of each quarter.
- 6 (4) Under WAC 480-90-008, the Commission may grant an exemption from the provisions of any rule in WAC 480-90 if consistent with the public interest, the purposes underlying regulation and applicable statutes. See also WAC 480-07-110.
- 7 (5) This matter came before the Commission at its regularly scheduled meeting on February 9, 2017.
- 8 (6) After reviewing NW Natural's petition filed in Docket UG-170032 on January 13, 2017, and giving due consideration, the Commission finds that the exemption is reasonable and should be granted.

ORDER

THE COMMISSION ORDERS:

- 9 (1) After the effective date of this Order, Northwest Natural Gas Company is granted an exemption from WAC 480-90-275 for an extension until February 27, 2017, to file its fourth quarter results of operations report for 2016.
- 10 (2) Failure by Northwest Natural Gas Company to file its 2016 fourth quarter results of operations report by February 27, 2017, may result in the Commission invoking RCW 80.04.405, which allows the Commission to assess penalties for violations of statute, rule, and Commission orders.
- 11 (3) The Commission retains jurisdiction over the subject matter and Northwest Natural Gas Company to effectuate the provisions of this Order.

The Commissioners, having determined this Order to be consistent with the public interest, directed the Secretary to enter this Order.

DATED at Olympia, Washington, and effective this February 9, 2017.
