

Sunshine Disposal & Recycling

March 17, 2017

Steven V. King, Executive Director and Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504-4720

Dear Mr. King:

Enclosed are proposed revisions to Tariff No. 8 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260) in Ferry County County. The purpose of this filing is to increase refuse rates due to increased disposal and other operating costs.

If approved, these proposed rates will generate approximately \$43,000 annually or about 13% on tariff revenue.

As required by WAC 480-07-520, the following information is also enclosed:

- 1) A copy of the tip fee notice from Ferry County.
- 2) A copy of the notice to customers which will be sent prior to April 1, 2017.
- 3) A pro forma income statement with detail of all restating and pro forma adjustments as required by WAC 480-07-520(4)(a).
- 4) Per WAC 480-07-520(4)(b) & (f) a detailed price-out with a calculation of the annual revenue impact of this filing.
- 5) Per WAC 480-07-520(4)(c) a monthly income statement on a total-company basis.
- 6) WAC 480-07-520(4)(d) we request a partial waiver. A list of non-regulated operations is provided.
- 7) Per WAC 480-07-520(4)(g) a consolidated balance sheet and a worksheet showing equity % and cost of debt by component.
- 8) Per WAC 480-07-520(4)(h) & (i) we request a partial waiver. Depreciation and investment information for the Ferry County operation is provided.
- 9) Per WAC WAC 480-07-520(4)(j) a statement of affiliated interests with supporting income statements and balance sheets.
- 10) No annual report to shareholders has been prepared as described in WAC 480-07-520(5).

We request a partial waiver of the following requirements of WAC 480-07-520.

480-07-520(4)(d) Detail of all non-regulated pricing is cumbersome and may disclose competitive customer data.

480-07-520(4)(h) & (i) Total company depreciation would be cumbersome and burden staff with information not related to this tariff filing. We have provided depreciation and investment information for the Ferry County area of Torre Refuse & Recycling.

A copy of this notice has been provided to the chair of the county commission of Ferry County.

Portions of this rate submittal are considered confidential under provisions of WAC 480-07-160 because it contains valuable competitive commercial information with regard to cost and financial information. Redacted and non-redacted copies of these documents are provided.
