RE: TV161305 - Cancellation of Permit HG064056 Due To Insufficient Proof of Insurance

Dear Super Friends Moving, L.L.C.:

On November 21, 2016, the Washington Utilities and Transportation Commission (Commission) notified you that your transportation permit would be canceled unless you submitted acceptable proof of insurance by December 25, 2016. Our records show that you failed to submit acceptable proof of insurance by that deadline. As a consequence, **the Commission has CANCELED your permit. You must immediately CEASE all operations associated with this permit.**

You have the right to a hearing. If you believe the Commission should not have canceled your permit, you may ask the Commission to schedule a hearing before an administrative law judge. At the hearing the only issue the Commission will address is whether you had proof of insurance on file to avoid cancellation. Your request should be addressed to Steven V. King, Secretary, 1300 S. Evergreen Park Dr. SW, P.O. Box 47250, Olympia, WA 98504-7250. You may also email your request to records@utc.wa.gov. The Commission must receive your request within 14 days after the date of this letter.

You may apply to reinstate your permit. Download the reinstatement application at www.utc.wa.gov. To locate the application, go to Quick Links on the front page, select "Transportation Permit Applications" and the appropriate industry application.

If you have questions about this notice, please contact Licensing Services at (360) 664-1222. You may also email us at transportation@utc.wa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Suzanne Stillwell".

Suzanne Stillwell
Licensing Services Manager

NOTICE: This action is delegated to the Secretary, or the Secretary's delegate, for decision. In addition to serving you this letter, the Commission will post on its website for at least 14 days a list of all matters delegated to the Secretary for decision. You may seek Commission review of this decision. Your request should be addressed to Steven V. King, Secretary, 1300 S. Evergreen Park Drive. SW, POI Box 47250, Olympia, WA 98504-7250. You may also email your request to records@utc.wa.gov. You must file a request for Commission review no later than 14 days after the date of this letter.

Re: Canceled Household Goods Permit

Dear Mr. Raich:

Your household goods permit (HG-064056) was canceled on Dec. 28, 2016. As your permit has been canceled, you may not conduct household goods moves in Washington.

You may not operate as a household goods mover in Washington state. Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**. This means that you may receive this penalty for each day you operate in violation of the law.

You may not advertise as a household goods mover in Washington state. Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5,000 per violation**. This means that you may receive a penalty for each and every advertisement.

If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you. Such action will include the above-mentioned financial penalties; you will be served with a subpoena and be required to appear before a judge. In addition, the commission may file a civil action in Superior Court and request additional penalties against you should you fail to comply with commission's orders.

I am checking in to see if Super Friends Moving has a valid HHG operating Authority?

I see they have a web site at www.super-friends-moving.com but I did not see an HG or THG number posted on the web site.

I too know they are part of the current investigation of Ghostruck.

Complaint

I used Super Friends to help unload a Pod for me back in February. The movers were on time, super fast and nice. Everything went smoothly except that when they moved my bed with underbed drawers upstairs they didn't take out or secure the drawers and one of them fell out and came crashing down the... stairs. The damage to the floor was fixable (I fixed it), but the drawer itself was broken. The movers were totally apologetic and said they would be in contact about either replacing the drawer or refunding us. Almost two months go by and I get no follow up. I tried to call them and got blown off. I tried again and was told to write up my request in an email. They respond to that email and asked which drawer would need to be replaced. Great! I responded the same day with the drawer info. That was May 1st. I have still received no response despite my repeated attempts to resolve the matter.

(Show Less of Complaint)

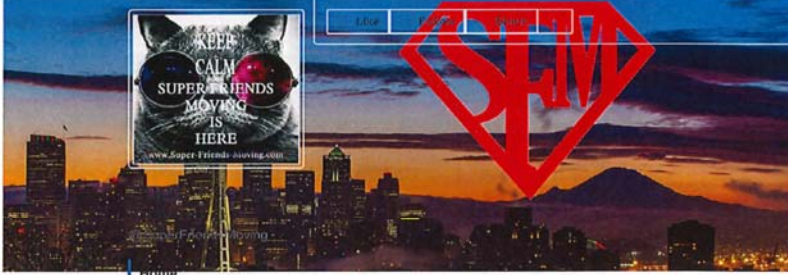

Desired Resolution

Either replace my drawer or pay me for it.

The team that moved me was fine. However, an expensive piece went missing during the move. After contacting the owner, Jakub, he assured me in writing that he would order a replacement and have it delivered to me. Months later, I have not received the replacement and the company no longer respond to my e-mails or my calls. Horrible business owners with horrible business practices. Choose another moving company.

 Purchased a Yelp Deal

The manager Jakob is super on quoting the moving, and the crew James and Brandon came in on time and finished the move exactly in the quoted hours. It is impressive. They are very friendly and careful about your furniture.

liked that they have some wonderful apps to process the bill on the phone.

About a month before our move I submitted requests for quotes from 3 different moving companies when it came time to arrange our move from Capitol Hill in Seattle to the suburbs. Super Friends Moving made the best impression from the get go. When I filled out their online estimate form they got back to me in less than 24 hours. The quote, which was prepared by Joseph, was very detailed and outlined all charges, it also included helpful information like their loss/damage coverage policies, moving tips, etc...

Overall it was a very well thought out package, and is what made me decide to go with Super Friends.

Their estimate was competitive with other quotes I received. For moving our apartment, clearing out our storage unit and delivering everything to our new home

they suggested a crew of 4 men and two trucks for 7 hours. We hired them.

On the appointed day I got a call from the team lead, Steve, confirming our location and the plan for the day. The team of four: Steve, Sam, Mikey, and Beau showed up on time and ready to go. They were all super nice and worked very efficiently. I couldn't believe how quickly they cleared out our apartment, which included dismantling and moving a very large and very heavy Tempur-pedic bed. The same thing happened at our storage unit. The guy that was managing the storage unit even stopped to ask me what company we were using because he wasn't used to seeing storage units emptied so quickly. The guys never stopped. They also helped with protecting some of our large furniture in the storage unit that the last moving company we used didn't leave wrapped.

After the storage unit they took a quick half an hour lunch (off the clock) and then showed up to our house to deliver all of our stuff. Here again they worked quickly and efficiently. They moved some really big and heavy pieces very carefully upstairs. Nothing was damaged. A few times we changed our minds about where to put something in the house, for which we apologized. Steve reminded us that they were there to do what we needed and to be a convenience for us. It was nice to be reminded of that. I find that it's often really hard to find service-minded individuals in the service industry. These guys definitely have it. In total it ended up taking 8 hours instead of 7, but I don't fault the guys for that at all. They worked hard and fast, we just had a lot of stuff. I would happily hire them again the next time we move, though I hope that won't be for a very long time!

So easy to work with! They came out to quote our move, gave us a quote same day and confirmed our slot the next day. On moving day, they were on time and even called before they arrived...just like they said they would.

The move was so easy. They took great care of all our things and were so polite. All 4 guys on the crew were really wonderful. I thought moving day was going to be terrible...because, who likes to move, but they completely made moving easy! They never complained once and we have really really heavy furniture. We also just had new carpet installed and they had to keep taking off their shoes before going on the carpet, so it was out in rain, shoes off.

I feel terrible because we usually have some food and water for the movers but we were so behind, I completely forgot. Im kicking myself for not planning ahead better, they were completely deserving of some extra snacks after all the work they did.

Thank you so much for making our move so easy. James was the main guy in our crew and he was great to talk to, professional and easy to work with.

LONG DISTANCE MOVES

It's our same great service, but with a few extra miles in between. We work diligently to coordinate the same team throughout all phases of the move. The driver will be the lead during the load, the unload, and he will personally drive your goods. We never transfer you through subcontractors and you'll always have direct contact with your lead!

LABOR ONLY

We can provide our gentleman to assist in your moving project. Whether you have a truck, POD Storage, or moving things around your home, hire Super Friends for your moving labor needs.

PACKING SERVICE

You've got better things to do than pack your house. Your life doesn't have to stop just because you're moving! Carry on with your meetings, soccer practice, and music lessons, and have us take care of the packing. We can pack your home the day before and arrive early the next day to move to your new home.

CRATING SERVICE

Some items just don't belong in a standard moving box. Whether it's extremely delicate or extremely valuable, have us build a custom crate to add PHYSICAL insurance around those irreplaceable items.

PIANOS, POOL TABLES, & OTHER SPECIALTY ITEMS

We move pianos, uprights, grands, baby's (we're still talking piano's, not humans or furry friends) and most other specialty items that need to be moved. Did you know you can book us to move your piano at the same time as your house move? Moving with Super Friends, means more service and less hassle.

STORAGE

Do you need storage in between homes or businesses? We're happy to store in our secure warehouse items that are waiting to be delivered to their new home.

HOISTING

Here's the situation. You have furniture that needs to go up another floor. The stairs and elevator aren't being cooperative. Call Super Friends and we'll hoist your furniture through a window or up a balcony, as long as it big enough!

COMMERCIAL MOVES & DELIVERY

We are a premiere one stop shop for residential and COMMERCIAL Moves! We'll move you to your new office or warehouse. Or do you have regular delivery needs, but not enough for you to hire a full time driver, truck, and all its costs? Inquire about our On Demand Delivery Service to set up a delivery arrangement.
