Subject: Docket #170229 and #170231, JBLM and Kitsap Schedules

It is requested that effective immediately subject dockets be cancelled. This cancellation is necessitated by pending SeaTac Airport relocation plans for all Airporter vans and shuttle busses. The single schedule change advances all arrival and departures times at Sea-Tac Airport by ten minutes. This change is necessary due to ascertaining a more realistic arrival and departure time for each run and will be re-submitted when SeaTac Airport planned actions are finalized.

Sincerely,

Richard E. Asche
