RE: Consolidated Disposal Service, Inc. G-190
Item 230: Disposal fee pass-through increase
Adams County Drop-box Customers only

Dear Secretary:

Enclosed herewith are proposed tariff 6 pages 2 and 35 for Consolidated Disposal Service, Inc, issued May 12, 2017 to become effective July 1, 2017. The revisions are due to rising Adams County disposal fees from \$70.00 per ton to \$77.00 per ton. This filing is for disposal fee pass-through only affecting Adams County drop box customers only. The revenue impact to the company will increase drop box revenue approximately \$4,921 or .0542 % of total revenue (\$9,071,715). Our last general rate case was 2013. Customer notices to those drop-box customers will be included with the first billing.

In conjunction, we submit the following in regards to the revised pages.

Copies of revised pages
Adams County Public Works Notification of Increase
per Adams County Board of Commissioners.
Accounting information for revenue impact.
Example of drop box customer notices with first billing.

If we can provide any further information, please call Bob Cole at 425-882-3118 or 206-498-5135.

Sincerely,
Robert C. Cole
