Re: TV-171194 - Dismissing Application

Dear Pro Movers LLC:

On December 15, 2017, Pro Movers LLC filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Household Goods Carriers carrier in the state of Washington.

On April 16, 2018, the Commission sent Pro Movers LLC notices describing the application requirements the company had not satisfied. Despite this notice, Pro Movers LLC has not met the following requirements as of the date of this letter. Pro Movers LLC did not provide a Uniform Motor Carrier Certificate of Insurance (Form E), did not provide Cargo Insurance (Form H), did not add their d/b/a to their USDOT number, did not provide enough detail on their financial statement, and did not fully pay the application fee.

Accordingly, the application filed by Pro Movers LLC in TV-171194 for Household Goods Carriers authority is dismissed for failure to meet the application requirements.
