RE: Disposal Rate Adjustments

Dear Company Representative:

Pursuant to RCW 70.95.212 please accept this letter as a 75-day notification of disposal rate adjustment.

Effective January 22, 2018, changes to rates at the North County Transfer Station and the Valley Transfer Station are indicated below:

1. In addition to gate fees currently in place, a two dollar **(\$2.00) Environmental Program Charge (EPC)** will be collected **per transaction for every vehicle** that disposes of solid waste or clean green/yard waste at the North County Transfer Station or the Valley Transfer Station.
2. The minimum fee for disposal of clean green will increase from \$7.00 for 280 pounds or less to **\$8.00 for 320 pounds** or less.
3. The minimum gate fee for solid waste which requires special handling is increasing from \$20.00 to **\$25.00 for 300 pounds** or less.

The current disposal rates for solid waste at \$104.50 per ton, clean green waste at \$50.00 per ton, and solid waste which requires special handling at \$165.00 per ton will not change. If you have any questions, please feel free to call me at (509) 477-7281.

Sincerely,

Deb Geiger
