**RE: Docket UG-180256  
(Do Not Re-docket)  
Gas Accounting Report Pursuant to WAC 480-90-257 (Revised 6-28-2018)**

Dear Mr. Johnson:

Included with this filing is a revision to Puget Sound Energy's ("PSE") Gas Commission Basis Report ("CBR") showing Restated Results of Operations for the twelve-month period ended December 31, 2017 that was filed on March 27, 2018. This filing revises PSE's Gas CBR for a sub-total error reported in the balance sheet section of the CBR report. Only the AMA sub-total for "Total Gas Plant" reported on page five was reported incorrectly. This revision does not change the results of the CBR reflected on page one of the report. PSE is submitting a revised PDF version of the December 31, 2017 CBR report. Additionally, a revised electronic workpaper will be submitted separately to Commission Staff and is available to other parties upon request.

If you have any questions, please feel free to call me at (425) 456-2105.

Regards,

*/s/ Susan Free*
