Dear Mr. King:

On March 27, 2018, Puget Sound Energy (“PSE”) filed with the Commission a rate revision to its electric Schedule 140, Property Tax Tracker. Approximately 132,000 commercial and industrial customers would see an increase in their bills due to the proposed changes. Work papers supporting this filing are attached.

Pursuant to WAC 480-100-198, Notice Verification and Assistance, PSE is providing the following statements, 1) that it posted the above-referenced filing in accordance with WAC 480-100-193(1) by posting on PSE’s web site, and 2) that it provided public notice in the form of a published notice within 30 days of the requested effective date of May 1, 2018, in accordance with WAC 480-100-194(2). A copy of the published notice that appeared in area newspapers on March 31, 2018, is attached. PSE also provided a copy of the notice to community agencies, posted the notice on PSE.com and provided notice to news editors of area newspapers, television and radio stations.

Please contact Julie Waltari at (425) 456-2945 for additional information about this notice publication or the posting. If you have any other questions please contact me at (425) 456-2110.
