**GRADE CROSSING PROTECTIVE FUND
2017 – 2019 GRANT APPLICATION
IMPROVEMENTS AT PUBLIC PASSIVE RAILROAD CROSSINGS**

The Washington Utilities and Transportation Commission (commission), through its Grade Crossing Protective Fund (GCPF), provides grants for projects that eliminate or mitigate public safety hazards at railroad crossings and along railroad rights-of-way in Washington State. As part of this emphasis the commission is also committed to improving safety at public, passively-protected railroad crossings in Washington.

GCPF funds may be used for purchasing stop signs¹, yield signs, retro-reflective tape, posts (if required), retro-reflective cross buck signs, and emergency notification signs to a maximum of \$250 for each crossing. Under this program, GCPF funds may not be used for labor costs if labor is provided by the applicant with current staff. All installations must comply with the Manual on Uniform Traffic Control Devices, 2009 edition.

To apply for a grant to improve safety at a passive railroad crossing, complete the following information and submit it and attachments to the commission.

Please be sure to complete the entire form. Incomplete or missing information can delay the grant review process.

Applicant Information

TR-180329

Applicant Name: Rick Rouse
Signature:
Organization: Port of Chehalis
Address: 321 Maurin Road
Phone: 360-748-9365
Email: rrouse@portofchehalis.com

¹ Replacement signs only. Proposals to install a stop sign at a crossing not currently stop-controlled requires an on-site diagnostic meeting with commission staff, the railroad and road authority, filing a petition and a commission order authorizing the installation.

Project Information

Attach additional sheets as necessary that provide the following:

1. A list of all other companies, organizations, state agencies or local governments that may be involved in implementing this proposal and the contact name, address and phone number or email address for each (if known).

None

2. A list of each railroad crossing, by USDOT number, street name, and county, where the applicant plans to improve safety. Indicate which type of warning sign or other measure will be installed.

Please see attached for crossing and locations of each new ENS sign

3. A cost estimate, including:
 - a. An itemized list of the total costs of the project.
 - b. Names of parties contributing to the project, including the applicant, and the amount each is contributing.

Sign estimate ^{\$} from Zumar \$644.82 + 269.98 = 914.80
Miscellaneous fasteners: \$25.00
6ea 4' x 4" x 8' PT posts: \$50.00

4. An estimated timeline of the project.

Signs will be installed within 30 days after receipt from vendor.

5. A description of the applicant's experience in grant management or completing grant projects of this nature, including years of experience, types of projects completed and project cost/scope.

The Port of Chehalis has applied for, received and closed out 2 WUTC grants in the past. Overall, the Port has received and managed over \$7,000,000 in federal and state grant funds in the last 15 years.

6. Any other information the applicant believes would be useful to the commission in evaluating the project.

These signs are required by CFR 234.306, CFR 234, 309, & CFR 234.311 at all private driveway and farm crossings. The Port currently has ENS signs installed at all public

road/highway grade crossings. Cory Caron, WUTC Rail Crossing Inspector, has notified the Port that these signs need to be installed.

Port will donate 8 - 10 hours labor @ \$53 an hour, to install the signs.

Railroad Commitment

If the applicant does not own the railroad crossing, the applicant must submit the attached Railroad Commitment form signed and completed by the railroad owning the crossing.

Submitting the Application

After completing the application, please send the original to:

Washington Utilities and Transportation Commission
Attention: Grade Crossing Protective Fund
1300 S. Evergreen Park Drive SW
PO Box 47250
Olympia, WA 98504-7250

A signed application may be filed electronically at records@utc.wa.gov. When filing electronically, please specify “Grade Crossing Protective Fund” in the subject line.

Assistance

For questions or assistance, please contact:

- Betty Young at (360) 664-1202 or byoung@utc.wa.gov
- Lori Halstead at (360) 664-1262 or lhalstea@utc.wa.gov

Railroad Commitment

The undersigned represents the Railroad Company in the accompanying GCPF grant application for funding to install a stop sign or yield sign, retro-reflective tape or retro-reflective cross buck signs, posts or emergency notification signs at the named railroad crossings. We have reviewed the application and agree to allow installation of the proposed safety devices as described in the application.
