Well, that was easy!

Yes, please, close down the UTC permit number HG-20549 for Crown Moving Company, Inc.

Thank you,

Sure, just respond that you would like to permit closed, and I can take care of it.

Michael,

Would you be the one I talk to about closing a permit, for Crown Moving Co.?

Crown has gotten to a point where it will only be doing Interstate Military business. Crown has not done any UTC regulated moves in 2018, and I don't see the point in keeping it active.

Is there a form I fill out?

Thanks,  
Jill

Hello, I was going through some of our household goods moving companies, and I see we do not have Cargo insurance on file for you, most likely we did at one time, but our system has since

changed. Could you please contact your insurance company and have them submit a Form H filing to us? They can send it directly to me, or to our general email at [transportation@utc.wa.gov](mailto:transportation@utc.wa.gov).

This probably applies to whole "Bekins" family. So if you could send them all my way, it would be greatly appreciated.

Thank you,
